THE DIAMOND Is the April Birth Stone

In the lore of precious stones the diamond is symbolic of purity. In ancient legendry it was supposed to preserve peace and prevent storms. As the birth stone of April it therefore carries a triple significance and is, of course, the preferred gift stone for those whose birthdays occur during this month.

The constant upward tendency of the rough diamond market and the definite prospect of still higher prices assure the stability of any investment in perfect gems at today's market.

O. A. C. WON OREGON STATE RELAY LAST SATURDAY 53 TO 47

Score Was Tied at 43 With Two Events to be Run Off, Oregon Aggies Taking Both.

UNIVERSITY OF OREGON.—Eugene, April 17.—The Oregon Aggies won the two-day state relay carnival here which ended Saturday by scoring 53 against Oregon's 47 points. Clear skies favored the events with higher interest and larger attendance. As most of the class A. events were run off on Saturday's programme, competition between the Oregon varsity and the Aggie first teams was closer. In class B Pacific university maintained the long lead which they chalked up on the first day's programme and finished most of the races with a safe margin.

The low hurdles and the medley relay races were the deciding factors in the meet for at the class of the four-mile relay, in which the Aggies won a safe victory, the score was tied at 43 points. Excitement ran high in the final two events in which the points to win the meet were garnered by the Aggie entrants.

The Aggie runners annexed the first and second places in the 120-yard low hurdles, Draper finishing first, with Gearhart of the Aggies nosing out Kuhnhausen by a scant foot for second place. The medley relay, in which two of the runners paced 220 yards each, a third runner 440 and the fourth 880, was a thriller and cinched the meet for the Agricultural college boys.

The most thrilling event of the afternoon was the one-mile race in which Hollinger for the Aggies nosed out Sunderleaf of Oregon by a yard just before the tape was reached. The Oregon team, composed of Rosebraugh, Sunderleaf, Risley and Wyatt, led the Aggies by 10 yards at the start of the final lap and Sunderleaf kept the lead until within 25 yards of the finish tape when Hollinger closed in on him and spurred across the tape in the lead. The Aggie team was made up of Miller, Stearns, Richert and Hollinger.

Up-To-Date Cooking Hints For Every Housewife

How to "lighten" bread flour to use for cakes, pastry, etc.

IT is not necessary to purchase both a bread and a pastry flour. By using quarter cup of Kingsford's Corn Starch to three-quarter cup of any good flour the percentage of gluten is decreased and the starch content increased so that home prepared flour will make a lighter and finer grained cake.

If your recipe calls for 4 eggs to 1 quart of milk use 3 eggs, and for the egg omitted use half tablespoonful of Kingsford's Corn Starch.

For smoother, glossier gravies and sauces use a dessert spoonful of Kingsford's Corn Starch, instead of a tablespoonful of wheat flour. For lighter, flakier biscuits, piecrusts and muffins, make your pastry flour with one-fourth cup of Kingsford's to three-fourths cup wheat flour.

A little Kingsford's Corn Starch dusted on top of cakes before icing prevents the frosting from running off.

A quarter teaspoonful of Kingsford's put into each of your saltshakers will keep the salt from caking.

FREE! Ask your grocer or write Johnson-Lieber Company, Portland, Oregon, for beautiful folder of the new Kingsford Corn Starch recipes.
