### HELMISTON MAN.

drunk. Miller was not drunk and had not been drinking, according to the information that has been secured.

A little more than one year ago, McCarrall was in trouble over reckless driving and his driver's license was taken from him at that time. Bender was only recently released from the city jail where he served a sentence of 20 days for bootlegging. Miller is a city employe and has always borne a good reputation.

Dr. Prime, who is secretary of the Helmiston Commercial Club, and enjoys the friendship of many people all over the county, is congratulating himself over the fact that his wife and children were not with him at the time of the collision. They had planned to accompany him on a business trip to Weston but changed their plans at the last minute.

**RIVOLI TODAY CLIMBS HIGHEST PEAK TO PHOTOGRAPH SCENES IN "FOOL'S PARADISE"**

Climbing the highest mountain peak in the United States to gain merely a flash in a dramatic motion picture is the latest adventurous exploit of the photoplay makers. The peak was Mt. Whitney, Cal.; the climber, Alvin Wyckoff, cameraman; the picture, "Fool's Paradise," Cecil B. De Mille's latest Paramount production, which will be the feature at the Rivoli theatre today.

It took days to travel by pack train to reach the towering mountain, and four days for the round trip through the snow to the peak's top, 14,501 feet above sea level.

Do you remember the old fairy tale of the "Magic Carpet" and how it wafted lovers here and there over the world? That's the answer—and to gain the effect of the carpet crossing mountains the trip to Mt. Whitney was devised. Mildred Harris and Kamueli Searles are the passengers on the "Magic Carpet." The incident is part of a wonderful stage pageant called "The Ice Queen," in which effects rivaling in beauty his glass set in "Forbidden Fruit," were attained.

Twenty-three farmers of Polk county have contracted with the Willamette Valley Flax and Hemp association to plant flax for the new plant at Rickreall.

The Elgin Ad. club met Monday night and voted for a county fair to be held there this fall. Committees will soon be appointed to carry out the necessary work.
