Peonies Are Late.
 This year's crop of peony blooms will be later than usual, according to S. A. Miller, candidate for representative and manager of the Milton nursery, who was visiting here yesterday in the interest of his candidacy. The nursery has 125 varieties of the flowers which ordinarily are in bloom a short time before Decoration Day. It is a question whether they will be in bloom this year that early, according to Mr. Miller. "If the warm weather continues, they

may be out for Decoration Day, but unless this weather prevails, they won't bloom until a few days later."

Miss Olbrich Chosen
 Miss Laura Olbrich, the candidate of the Union Pacific Railway system, will be crowned tonight in Portland as queen of the Elks' Golden Jubilee and will hold sway during the carnival for the remainder of the week. Miss Olbrich visited Pendleton recently in the interests of her candidacy, and local employes of the O. W. R. & N. solicited votes for her.

Chautauqua in July.
 July 29, 31, 22, 23, 25 and 26 have been announced as the dates for this year's Chautauqua in Pendleton. Heading the lecture staff will be Opie Read, writer and philosopher; Norman Allan Iprrie; a new and striking figure on the lecture platform; and Elmer Williams, Chicago's famous "Fighting Parson." For additional entertainment there will be Paul Fleming, heralded as the cleverest magician since Germaine; a play, "Cappy Ricks," music by the Gilvan Opera Company, a vocal organization, and by the Oceanic Quintet.

Get Marriage License.
 A license to wed has been issued at the office of the county clerk to Maurice M. Hall, farmer of Helix, and Mabel Lackey of Freewater.

To Erect Tent House.
 A permit to erect a tent house at 909 Turner street has been taken out by W. B. Worthington. The cost of the work is estimated at \$60.

To Hold Auctions.
 Notices have been received here of five wool auctions at Mountain Home, Idaho. The first one was scheduled to be held today, and the dates for the other four are May 25, and June 1, 5 and 15.

Scout Meeting Postponed.
 Due to the illness of Scoutmaster H. J. Kirby of Troop No. 2, Boy Scouts, the Friday evening meeting of the troop has been postponed. Mr. Kirby is confined to his home, 415 Perkins avenue, on orders of his physician.

Rain Predicted.
 Rain is predicted by Major Lee Moorhouse, weather observer, who states that the barometer registers 28.65 and is still falling. The weather is cooler today, the maximum being 52. The minimum last evening was 49. Farmers say that rain would be welcomed.

To Hold Demonstration.
 A dress form demonstration will be held tonight at the office of Mrs. Edith G. Van Deusen, home demonstration agent, in the federal building. Instruction in the making of dress forms will be given to groups of four women, it requiring this number to make one dressform.

50 Attend Meeting.
 Fifty dairy cow owners of the west end of the county attended a meeting at Columbia last evening and heard a talk by Dr. B. T. Sims, of Oregon Agricultural College, on the subject of contagious abortion among dairy cattle. The owners signed an agreement to carry on a campaign to eradicate this disease. Blood tests will be made early in June.

Wheat Condition Good.
 That the condition of wheat in the Helix country is good is the statement of Carl Engdahl, prominent farmer of that section who was here getting the latest political dope today. Mr. Engdahl gives it as his opinion that the wheat indicates a little better than normal condition. "I doubt whether the whole section will show quite up to the high standard of last year, but in some parts, it is better, so we have fully normal prospects," he stated. Excellent growth is being made now, he asserts.

To Take Long Trip.
 Mr. and Mrs. Sam Thompson and daughter, Miss Thelma Thompson, and Mr. and Mrs. Willard Bond will leave tomorrow for points in California where they expect to spend a vacation of about six weeks. They will go from here to Sacramento where Mr. Thompson will be a judge in the big outdoor "Days of '49" show which is being staged there this year. They will then go to Los Angeles where the two men are delegates from the local Rotary club to the International Rotary convention. Later they will be in San Francisco to attend a meeting of shrimers.

To Multnomah County Only.
 Considerable confusion among voters and election officials has been caused by reason of a story in one of the Portland newspapers this morning to the effect that the law requires that a voter must have six freeholders to swear in his vote in the event he wishes to change his registration at the polls. In Multnomah county the law requires that the word of six freeholders be used, but in Umatilla county, the voter is required to have the assistance of only two freeholders in making such a change, according to a statement by C. Z. Randall, deputy district attorney.

COULD HARDLY STAND AT TIMES
Hips, Back and Legs Would Have That Tired Ache

Everett, Washington. "For several years I have had trouble with the lower part of my back and my hips and my legs would ache with that tired ache. I could hardly stand on my feet at times. I was always able to do my work although I did not feel good. I saw Lydia E. Pinkham's Vegetable Compound advertised and having heard several praise it I decided to try it. I feel first-rate at the present time. It has done wonders for me and I keep it in the house right along. I always recommend it to others who are sick and ailing." —Mrs. J. M. SIBBERT, 4032 High St., Everett, Washington.

To do any kind of work, or to play for that matter, is next to impossible if you are suffering from some form of female trouble. It may cause your back or your legs to ache, it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good.

Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of the trouble and then these annoying pains, aches and "no good" feelings disappear.

It has done this for many, many women; why not give it a fair trial—now.
