

Social and Club News

CLUB HAS MEETING.

For the final meeting of the year, members of the Research Club met yesterday at the home of Mrs. Besse Reese near Helix, where they were entertained by Mrs. Reese, Mrs. Roy Penland of Helix and Mrs. George Stangler.

The afternoon's program was most enjoyable. Mrs. Raymond Hatch and Mrs. T. H. Rembold sang a vocal duet, "A May Morning," and Mrs. Hatch also sang "Beneath Thy Window," "Pale Moon" and "Near the Well," were the vocal numbers sung as solos by Mrs. Rembold. Mrs. A. H. McIntyre of Helix gave two readings, "Head or Tail," and "Bairnies Cuddle Down," in Scotch dialect.

Election of officers took place during the afternoon. Mrs. T. H. Rembold was chosen president, with Mrs. Fred Lienallen, vice president, Mrs. J. M. P. Snyder, secretary, Mrs. E. E. Baer, corresponding secretary and Mrs. Besse Reese, treasurer.

Tulips and snowballs were used in decorating. Guests other than club members were: Mrs. F. M. Ebel, Mrs. William Ingram, of Portland, Mrs. William Dale, J. F. Mathews, Mrs. A. H. McIntyre and Mrs. Ella Landers of La Grande.

WILL ENTERTAIN TOMORROW.

Miss Helen Clark will be honored at a noon luncheon at which Mrs. George Hartman, Mrs. John Montgomery, Mrs. Lina Sturgis and Mrs. F. E. Boyden will entertain at the home of Mrs. Montgomery tomorrow.

LEAVE FOR ANCHORAGE.

Mr. and Mrs. R. M. Turner and son, Russell Turner, today left for Anchorage, Alaska, where they will make their home. Mr. and Mrs. Turner formerly resided here and are pioneer residents of this county. Recently they have made their home in Umanilla. Mr. Turner, who years ago was district attorney for this district, will engage in the practice of law in Anchorage.

MISS SWAGGART DEPARTS.

Miss Lois Swaggart has departed for Seaside to spend the summer there and at Cannon Beach with Mrs. Roy Becker. Miss Swaggart, who is a niece of Mr. and Mrs. C. S. Wheeler, has been visiting at the Wheeler home. In the fall she will resume her studies at the Cornish school in Seattle.

CHAPTER TO MEET.

Hegeman chapter, Westminster Guild, will hold its annual meeting on Saturday at the home of Mrs. Besse Reese, of Helix. Guests will motor to her home in the morning and will spend the day. Assisting Mrs. Reese in receiving the guests will be Mrs. Roy Penland, Mrs. Victor Mason and Miss Mabel Johnson.

SALE TO BE HELD.

The ladies of the Christian church will hold a cooked food sale on Saturday at Crawford's furniture store. It will begin at 10 o'clock in the morning.

Baby Is Christened.

The little daughter of Mr. and Mrs. Donald Robinson has been named Rachel May. The christening was held yesterday at the Church of the Redeemer, with Rev. Alfred Lockwood officiating.

MRS. JOHNSON HERE.

Mrs. J. R. Johnson, whose home is in the Willamette Valley, is a guest at the home of Mrs. Thomas Brewster. She arrived here yesterday and will return to her home tomorrow.

ARE IN VICTORIA.

Dr. and Mrs. Hugh S. McKenzie, who left here a week ago on a motor trip, are now in Victoria, British Columbia, according to word received by Pendleton friends.

LITTLE SON BORN.

Mr. and Mrs. Claud Smith are the parents of a baby boy, born at St. Paul, Oregon. Mrs. Smith was formerly Miss Madge Nelson of this city.

CLUB TO MEET.

The Delphian Club will meet tomorrow afternoon in the library club room with Mrs. L. M. Spaulding and Mrs. Minnie Stillman as hostesses.

SOCIAL TO BE HELD.

The Standard Bearers of the Methodist church will hold an "old-fashioned social" tomorrow evening in the church.

MRS. HUNTLEY RETURNS.

Mrs. R. M. Huntley has returned from Portland. She is convalescing after a recent operation.

MRS. VAN BUREN HERE.

Mrs. Sadie Van Buren, of La Grande, is a Pendleton visitor.

MOTOR TO WALLA WALLA.

Mr. and Mrs. L. B. Travers motored to Walla Walla yesterday.

WAR FRAUD PROSECUTION WAS STARTED TODAY

WASHINGTON, May 25.—(U. P.)—Daugherty started the war fraud prosecution by ordering the impounding of a special grand jury to hear the evidence. District Attorney Gordon examined twenty three prospective jurors today. If he can pick twelve without another drawing of names, Gordon believed the jury could start work next Monday.

"STOPS LAXATIVES—HEALTH REGAINED BY INTERNAL BATHS"

Mr. A. Czarniecki, 657 Montgomery St., San Francisco, Cal., writes Tyrrell's Hygienic Inst. of New York as follows: "I must admit that the use of the 'J. B. L. Cascade' has cured chronic constipation from which I suffered. Since May 12th, 1931, I have never even tasted any kind of patent medicine or purgative. My health is excellent in every respect."

Over half a million bright, keen, intelligent Americans have found that Internal Bathing is more essential to their health than external baths. Have found that used occasionally at night they feel like different people the next morning. No more of that bilious, tired, nervous feeling, but having by nature's own cleanse—anti-septic warm water—removed all the poisonous waste from the lower intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting properly, clear headed, happy, confident, eager and capable for the duties of the day.

TALLMAN & CO. will gladly explain to you the simple operation of the "J. B. L. Cascade." Why it is so certain in its results, and will give you free of cost, an interesting little book containing the results of the experiences of Dr. Chas. A. Tyrrell of New York, who was a specialist on Internal Complaints for 25 years in that city. Why not get this out as a reminder to get this book as soon as possible. Remember, please, it is free.

together with the value of the 10 to 15 per cent unrecovered, represents a loss of approximately \$90,000. Legislation requiring recording of the title of each car sold, as in the case of real estate, and requiring each driver to carry a registration card for the car he is driving, with his photograph, and the numbers of the car and motor thereon, would markedly reduce automobile thefts, he believes.

To save a shift on hills

Many an automobile fails to deliver the power and speed of which it is capable, fails in acceleration and on the hills, because of poor lubrication. The purpose of lubrication is to reduce friction. In this connection it must be remembered that oils have internal or molecular friction. The heavier the oil the more this internal friction, which has to be overcome by and uses up power. The ideal oil for the automobile is the thinnest oil which will keep the bearing surfaces separated, and at the same time offer in itself the least frictional resistance to the engine power going to the rear or driving wheels. Such an oil—if it has "oiliness," stability and purity,—will give perfect lubrication, and permit the development of the maximum power, speed and gasoline mileage of the car. Zerolene meets these conditions perfectly. Oiliness—Stability—Purity Zerolene has great "oiliness," which causes it to cling to bearing surfaces while offering in itself a minimum of frictional resistance to the engine power. It has great stability, which causes it to resist engine heat and to form a minimum of carbon of a soft, flaky nature which goes out with the exhaust. And it is pure. If you follow the Zerolene chart of Correct Lubrication, you will develop the maximum power, speed and gasoline mileage of your car.

TELEPHONE COMPANY IS HOST TO MANY GUESTS

Some of the people who always want the very best in telephone service and employees of the Pacific Telephone and Telegraph Co., who are interested in seeing that this kind of service is given joined in studying some of the problems of communication which are daily confronting the telephone company when "Dad's Night" was observed last night. Fathers of the employees of the company and business men of the city were guests of the company. The workings of the system were described in detail by members of the force, and some of the reasons why service may be temporarily interrupted were explained. Members of the city council and the mayor attended the little party before council meetings, refreshments of ice cream and cake were served the guests. This is the second of a series of such meetings being held by the company.

SEVERAL THOUSAND SIGNS TO BE POSTED

SAN FRANCISCO, May 25.—(A. P.)—Several thousand additional signs will be posted in national forests this year by the United States Forest Service, according to L. A. Barrett, assistant district forester. These will relate to fire prevention, give location of camp sites and set forth mileage and names of trails and roads.

MILLION DOLLAR HOTEL FOR TACOMA ASSURED

TACOMA, May 25.—(U. P.)—A new million dollar hotel for Tacoma was assured today as the result of a week's intensive campaign to raise funds by popular subscription to finance the project. The Commercial Club banquet closed the campaign. The requested million dollars was over-subscribed several thousands. A stockholders meeting is to be called in the next few days to elect permanent officers and directors and select a site. Construction is expected to start this summer.

ILLINOIS MINERS REFUSED SEPARATE AGREEMENT TODAY

SPRINGFIELD, Ill., May 25.—(U. P.)—The Illinois miners today refused to enter separate negotiations with the mine operators to end the coal strike. Union officials said they would not enter into a separate agreement until the international executive board permitted them.

ADMITTED

Miss Gertrude Baer, Berlin, will make a two-months tour of America to speak for the Women's International League for Peace. She was detained by Ellis Island officials for a day. They were under the misapprehension that she was a communist.

HOME DEMONSTRATION IDEAS FOR HOUSEWIVES

- A Bleach for White Cotton or Linen Material. (Reprinted by request.)
- Mix half-pound Chlorinated Lime with one quart of water, stirring thoroughly with an old spoon for 10 or 12 minutes. Add water to make up to a gallon.
- Dissolve one pound sal soda in lukewarm water and add enough water to make a gallon.
- Mix the two solutions and allow them to settle over night, then pour off the clear liquid into bottles and keep corked in a cool and dark place.
- Use one-third teacupful of this solution to a boiler of water, stirring solution into water before putting in clothes. When clothes reach boiling temperature, remove and put through scalding hot rinse water.
- Clothing should never be boiled, simply brought up to a boiling temperature. This method will give snowy white clothes even if they are never sun dried, and the clothes will not be damaged.
- If these directions are followed, it will also bleach oily figures from perfumed cloth and make faded things white.—V. D.

MANY GARDENS PLANTED BY YOUTHFUL FARMERS

WASHINGTON, May 25.—Farm and home practices of 1,200,000 farmers, 400,000 farm women and 143,700 farm boys and girls were greatly improved last year as the result of extension work on the part of the department of agriculture in co-operation with the states, according to a report to the department.

AUTOS VALUED AT HUGE SUMS STOLEN IN GEORGIA

ATLANTA, May 25.—Two thousand automobiles, whose aggregate value reached \$2,000,000 were stolen in Georgia during 1931, according to reports compiled by the Automobile Underwriters' Detective Bureau. Between 45 and 70 per cent of the cars were recovered. R. C. Patterson, secretary of the bureau, states, but repairs on each of the recovered machines averaged \$150. This.
