### OPERATION NOT SUCCESSFUL

"16 years ago I was operated for appendicitis and later operated again for gall stones. Neither did me any good and I suffered all kinds of torture since. Five years ago I took May's Wonderful Remedy and have felt no symptoms of pain since. All stomach sufferers should take it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and always the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. —For sale by all druggists.
