News Notes of Pendleton

CALENDAR OF EVENTS
June 15, 16 and 17—Annual
state convention of Spanish Amarican War Veterans, Women's Auxiliary and Military Order of Serpents. September 21, 22, 23, Hound-

time to clinic work.

"Razzberries" Are Hipe.

Some of the boys are having fun at the expense of Sol Baum right now. The occasion for "razzing" him developed in this manner: Since Guy commission trying to induce them that in the state shoot, he has sent some telegrams to fellow sportsmen in Pendletes. One of them came to Baum and It was punctuated with "stops" for periods. Now Sol thought the "stop" stood for Stoop, zone manager.

Are Named Delegates.

G. M. Rice and J. M. Maioney were yesterday named as delegates to the national convention of the progressive Business club which will be held in Salt Lake City from August 31 to July 3 inclusive. They will represent the local club. Alternates named are W. E. Brock and nates named are W. E. Brock and J. H. Gwinn.

for periods. Now Sol thought the "stop" stood for Stoop, zone manager of the national transhooters' organization. Stoop and Sol are not energy on the court of Justice Joe H. Parkes at all. When Sol thought he was getting a lot of information about Stoop in the telegram he burst forth in oratory. "What do I care about that bird Stoop?" he asked with some heat. "Aw, that is 'stop' and it stands for a period," Jim Estes told Sol. When the matter was thus explained Sol sent Matlock a wire, which he punctuated by using a "done" for periods. Now he teels that he is even.

Carly in July.

Two Violators Fined.

O. S. Young pald a fine of \$25 in the court of Justice Joe H. Parkes the first of the week after he had bleaded guilty to a charge of catching and having in his possession fish under the legal size permitted. Frank Teachers Take Tests.

Teachers of schools in Umatilla county are busily engaged in the happy task of taking examinations. The tests are being given under the direction of Supt. W. W. Green and are incided at the court house. There are of having killed a China pheasant last September before the season opened. Information about the illegal shooting only recently came to light. The arrest in each case was made by W. H. Albee, deputy game warden.

ested parties. I. M. Schannep is the attorney for the plaintiffs.

number of about 300 enjoyed a picnic which was held af the grounds of the Indian agency at Mission yesterday afternoon and evening. Besides a b'g basket supper, those present enjoyed games, races and other forms of sport A few barnyard golf enthusiasts tore up the turf.

Public Invited to Exercises.

All Pendleton people whether or not members of the B. P. O. E., are invited to the Flag Day exercises this evening at the Elks' building. E. F. Averill will give the Flag Day address and there will be other additional numbers on the program. The local chap-ter of the Daughters of the Ameri-can Revolution is in charge of the decorations and red, white and blue flowers will be used.

Meeting Called for 28.

The meeting of the state highway commission when bids on the Old Oregon Trail road will be received for the third time this season has been set for June 28, according to a notice received today by the county court. The meeting had previously been set to be held June 22. Contractors are evincing considerable in-terest in the work, according to County Judge I. M. Schannep.

Pendletonians Invited, An invitation to Pendletonians to e present at the Lewiston Rose Show which will be held June 16 has been received by Mayor G. A. Hart-man from Mrs. E. M. Ehrhardt, president of the Lewiston Rose Society. There will be a parade, the crowning of the Rose Queen and the display of rose which will be at the Lewis-Clark CENTENARIAN COUPLE ******************************** hotel. This is the 21st annual show

Cupid, who has not scored as heavily during some seasons of 1922 as is his wont, is making a record for himself now in Umatilla county. During the past 24 hours, the office of the county leak has been side. During the past 24 hours, the office of the county clerk has been visited by five couples who have secured the state's consent to marriage. The couples are: Clarence E. Boynton, clerk, and Myrtle L. Silvey, bookeeper, both of Hermiston; Nele Ivan Morrison, truck mechanic, and Viola M. Crandall, both of Hermiston; Harry Hope Owens, hotel clerk, and Edna Marshall, both of Pendleton; Harrold Rhea Brock, clerk, and Heley M. Clark, librarian, both of Pendleton; M. Clark, librarian, both of Pendle

Proctor in Portland.

A. Phimister Proctor, sculptor who for a time resided in Pendleton. passed through Pendleton yesterday en route to Palo Alto, where he will begin work on the statue to be known as "The Circuit Rider," which he is executing for R. A. Booth, chairman of the state highway commission, who resides in Eugene. This statue will be placed on the capitol grounds in front of the state-house in Salem. Mr. Proctor's statue of Theodore Roosevelt is to be un-velled in Portland in August. It is the gift of Dr. Henry Waldo Coe to this city of Portland. Mr. Proctor hopes to attend the Round-Up this September but is as yet uncertain whether or not it will be possible, as he is planning a hunting trip is

OHIO RADIO FANS GET WARNING ABOUT WIRES

TOLEDO, June 14.-Amateur radie of the Ohio State Telephone company and Toledo Edison company against asing their poles for the stringing of wires for their acrials. Recent deaths in other cities resulting from wires coming in contact. sulting from wires coming in contact with charged series have resulted in officials of both companies instruct-

ing linemen to remove all antennate found attached to telephone poles. "We are not trying to discourage the radio fans," said Fred Derga of the Edison company. "Isis we want to protect them from some of the fligh tension wires of which they have no knowledge."

ELLOWSTONE NATIONAL PARK

Nature's Most Wonderful Laboratory and Out-of-Door Paradise

"The wildest geysers in the world, in bright, triumphant bands, are dancing and singing in it and thousands of boiling springs, beautiful and awfol, their busine arrayed in gorgeous polors like rigantic flowers; and hot paint-pots, mud springs, mud volcanoes, mush and broth cauldrons whose whole contents are of every color and consistency, splash and heave and rour in bewildering abundance.

"Here, too, are hills of sparkling cristals, hills of culphur, hills of glass, hills of einders and ashes, mountains of every style of architecture, icy or frested, mountains boiled soft like potatoes and colored like a sunset sky,

"The air is electrical and full of ozone, healing, reviving, exhilarating, kept pure
