TENANTS GO ON
STRIKE IN MEXICO

NOGALES, Sonora, Mexico, July 6.—(U. P.)—Landlords of Mexico are facing what in this country has been talked of only as a humorous possibility—a strike of tenants.

The movement, which originated in the formation of "Sindicato de los Aquilinos" at Vera Cruz, has spread to other large cities where vast numbers of tenants are refusing to pay their rent, parading the streets with banners of protest—and what is more, actually getting away with it, without being ejected from their homes.

At Vera Cruz the "Sindicato de Tenants," organized by a certain Heron Proff, a mechanic, has grown since last March to a membership of 20,000 persons all of whom are refusing to pay rent, until reductions are made by the landlords.

The syndicate was secretly organized and March 1 set as the date for the general strike, when a monster parade, bearing banners announcing the strike, passed through the streets.

Authorities powerless.

Property owners were obdurate, but failed to secure the aid of authorities, who claimed they were powerless to enforce payment from 20,000 persons. A deadlock which still exists, resulted the landlords endeavoring to oust the tenant and to collect the rent with equal ineffectiveness.

Subsequently organizers from Vera Cruz appeared at Puebla, Orizaba, and other large cities, instituting "Syndicates of Tenants," which have succeeded in sewing up property as tightly as that in Vera Cruz.

In the middle of April the movement spread to Mexico City, with the result that on the first of June the Syndicate of Tenants in the federal capital was reported to have an enrollment of 45,000.

Strike of Mexico City tenants is expected, when it is claimed more than 80,000 will refuse to pay their rents.

DAINTY WATTEAU GIRLS TO
ENTERTAIN AT CHAUTAUQUA

Varied Program With Bushels of Fun to Be Given.

Mirth and music—thus may be epitomized the program of the Watteau Girls who will appear at Chautauqua with their delightfully costumed program. Each of these young ladies is particularly gifted along dramatic lines and are students of Elias

Day of Chicago, perhaps the best known dramatic coach in America. Dramatic skills, some clever little instrumental variations, and bushels of wholesome fun, round out a program of popular appeal. In quaint costumes of Seventeenth-century court ladies they open their fascinatingly original program. The Watteaus will entertain Chautauqua folks on the afternoon of the fifth day.

OFFICE HELP
TRAVELING MEN

Mr. Oliver Towne
(ALL OVER TOWN)

Help! Help! Help! If you're looking for employment or somebody to fill a position, either domestic or commercial, come to me.

I am in touch with every household and business organization, and am in a position to find the job for the person and the person for the job.

Look over the want ads in this paper and you'll probably find what you want—if not, let me put in an ad of your own. That's bound to get results!

East Oregonian

Found

The Department of Justice has notified Mr. and Mrs. Charles L. Glass, Jersey City, N. J., that their little son, Jimmy, lost seven years, has been found with a gypsy band in Porto Rico.

Owners Organize.

Combating the situation landlords are organizing a "Union de Proprietarios," which is said to number 10,000 tenant owners who have announced that they will not yield or agree to a compromise of any sort.

Tenants have already held one great demonstration, gathering in the Alameda, the central park of the city, where they were harangued by several speakers. While there were no disorders, many of the speeches were described as violent and decidedly "bolshhevik in tone," according to reports received here.

Preparations are being made for a mammoth demonstration at the capital, simultaneously with demonstrations in all cities where tenants are striking.

STEAMER ASHORE

SAN FRANCISCO, July 6.—(U. P.)—The steamer Arctic went aground on Saunders Reef last night, according to marine advices here today, but proceeded to Arena Cove, leaking badly. The Steamer Admiral Schley and the Point Arena life saving crew were standing by to assist.

Twenty million young trout are expected to be liberated in different streams in Oregon this year, according to Matt L. Ryckman, superintendent of state trout hatcheries.
