You Need More Than Good Fitting

"Good Fitting" is a mere phrase unless you buy shoes that are basically right in design and construction to afford the correct natural foot support. It's the ordinary shoe with its sagging arch that causes foot aches and pains. Arch Preserver Shoes, with the built-in arch bridge, give real comfort, because they eliminate all strain. They are in good style, too, always having a smart, clean-cut appearance. Why don't you find out about real foot happiness?

GIRLS! LEMON JUICE BLEACHES FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will apply for a few cents, shake well, and you have a quarter pint of the best freckle and tan bleach, and complexion whitener.

Massage this sweetly fragrant lemon lotion into the face, neck, arms and hands each day and see how freckles and blemishes bleach out and how clear, soft and rosy-white the skin becomes.

Nursery for Babies Convention Feature

CHATTANOOGA, Tenn., July 11.—(U. P.)—Business and professional women from all parts of the United States met here today for the fourth annual convention of the National Federation of Business and Professional Women's Clubs which will be in session until July 16.

One novelty at the convention is a special department for the babies who will be brought to the convention by their mothers. Trained nurses are provided for the youngsters and every amusement and special diet that any well brought up baby could desire is on hand. The babies will be marked in the nursery while the mothers are in session and every care will be given them. Dr. Bertha Maxwell Huntington, president of the Pennsylvania State Federation, who lives at Williamsport, Pennsylvania, has announced her intention of elating the first mother to take advantage of the convention nursery.

It is said to say that every delegate to the convention will visit the nursery some time during the convention to admire the health and buxomness of the federation babies.

Special trains carrying delegates to the convention are expected from Nashville, Atlanta, New York, the northwestern states and the middle states. Ohio, Indiana and Illinois delegates will unite at Cincinnati and arrive at Chattanooga together.

SHOW MOHAMMEDAN ART

PARIS, July 11.—A room devoted, entirely to Mohammedan art has been newly decorated and opened at the Louvre.

S. S. S. Fills Out Hollow Cheeks, Thin Limbs!

Men and women, whether you will ever build yourself up to your normal, but right weight depends on the number of blood-cells in your blood. That's all there is to it. It's a scientific fact. If your blood-cell factory isn't working right, you will be run-down, thin, your blood will be in disorder, and perhaps your face will be broken out with pimples, blackheads and eruptions. S. S. S. keeps your blood-cell factory working full time. It helps build new blood-cells. That's why S. S. S. builds up thin, run-down people. It puts firm flesh on your bones, it rounds out your face, arms, legs, limbs, the whole body. It puts the "pink" in your cheeks. It takes the hollows from the eyes, and it foils Father Time by smoothing out wrinkles in men and women by "plumping" them up. S. S. S. is a remarkable blood-purifier. While you are getting plump, your skin eruptions, pimples, blackheads, acne, rheumatism, rash, tetter, blotches are being removed. The medicinal ingredients of S. S. S. are guaranteed purely vegetable. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

VALUABLE PEARL STOLEN FROM FAMED OPERA STAR

PARIS, July 11.—A single pearl worth \$4,000 has been stolen from the apartment of Mme. Paulette Goddard, opera star. The theft occurred in broad daylight during the absence of the singer. To obtain the pearl it was necessary to force a door, break into the drawers of a cabinet and abstract the pearl from a locked coffer.

STUDENT GETS COLLEGE DEGREE AT AGE OF 18

WELLINGTON, Ohio, July 11.—James Milton Eglin, Pittsfield, is believed to be the world's youngest scholar to receive the title of doctor of philosophy.

Doctor Eglin graduated from Wellington high school at the age of 13 years, from Oberlin College when seventeen, received his master's degree last year at the age of 18, and this month, when he had just passed his nineteenth birthday, he was presented with his Ph. D. degree by the University of Chicago at an age when most persons who attend colleges and universities are entering upon their freshman year.

A FAMOUS WARSHIP.

MELBOURNE, (By mail to United Press).—Australia will not sink her famous warship, "Australia," until after the disarmament treaties formulated at Washington are ratified, and even then the old fighter will probably be converted into an airplane carrier, according to an announcement by Minister of Defence Greene.

How a Baltimore Girl Recovered Her Health

Baltimore, Maryland.—"For several months I suffered with severe backache and general weakness. I could not sleep comfortably at night for pains in my back. I found your book at home one day and after reading it began at once to take Lydia E. Pinkham's Vegetable Compound. I have had very good results and some of my girl friends are taking it now. You may use this letter to help other girls, as the letters in your book helped me." — ROSE WARDNER, 3035 Roseland Place, Baltimore, Md.

How a Baltimore Girl Recovered Her Health

That is the thought so often expressed in letters recommending Lydia E. Pinkham's Vegetable Compound. These women know what they have suffered, they describe their symptoms and state how they were finally made well. Just plain statements, but they want other women to be helped.

Lydia E. Pinkham's Vegetable Compound is a medicine made from medicinal roots and herbs, and without drugs, to relieve the sickness women so often have, which is indicated by backache, weak feelings, nervousness, and no ambition to get anything done or to go anywhere. It has helped many women. Why not try it?

CALIFORNIA AVIATORS MUST HAVE LICENSES

SACRAMENTO, Cal., July 11.—Superintendent Charles J. Chenu, of the State Motor Vehicle Department has issued a warning to all aviators in California to apply to his office for licenses or cease flying. Pilots operating without licenses will be arrested and prosecuted by agents of the Motor Vehicle Department. Chenu declared that he has inaugurated a clean-up campaign to round up all violators of the law requiring pilots to be licensed. This law was passed by the last state legislature. The first arrest under its provisions was made in San Francisco recently, and Chenu states that additional arrests may be expected unless the law is complied with.

Patton Brothers Win High Class Performance of Musical and Artistic Worth Promised Chautauqua Patrons

Here's a "different" program by an altogether "different" company. Instead of the usual girl entertainment group, so common in Chautauqua, you will have opportunity to enjoy a real red-blooded "man" company when the Patton Brothers come to town. The boys—all brothers—are full of "pop" and enthusiasm, and their program, all written in musical form, consists of especially-crafted "episodes." No expense has been spared in costume and providing special scenic effects. The result is a high-class performance of musical and artistic worth—lacking only in the cheap "jazz" element, so common in entertainment nowadays. And yet it is a program of real "punch"—a personality program, if you will, for the work of each of these clever young artists stands out in bold relief. They will give two programs on the third day of Chautauqua.
