Mr. Harvester
 "Where do you buy your meat? Do you realize the amount of meat you use during harvest? And isn't the price you pay too much for the amount of meat you use."
HERE IS OUR PROPOSITION
 to you through harvest.
 We will make you a rock bottom price on beef by the quarter. Keep it in our mechanically refrigerated cooler and cut you roasts and steaks as you need them. We will roll the ribs and plate if you so desire.
 This way you pay only for the
QUARTER OF BEEF
 the steaking and cutting is a service that costs you nothing. Making your boils, roasts and steaks cost you but a few cents per pound.
 This not only includes beef, but
EVERYTHING IN THE MEAT LINE
 Compare prices elsewhere and then let us show you how to cut down that harvest meat bill.
