We have it on good authority that Harry Benson has decided that after all, when one is on a fishing trip it's better to have your rod with you.

The young lady next door says that now she knows why Pendleton's auto camp is superior to all others. "It's because," she confides, "the sign that says 'Hot and Cold Shower Baths—Police Protection'."

One of the most unsatisfactory things in the world is to try to kiss a girl through a veil.

Long engagements are to be recommended because they enable people to be happy as long as they can.

Leap year used to come every four years but with automobiles and speedsters, every year is leap year for pedestrians.

HIKING A "FAD" LONDON, July 19.-(United Press) -The latest "girl fad" is walking competitions. Following the announcement, a short time ago, that "Sol" Joel's daughter would walk to Brighton—a distance of some fifty odd miles from London—nine messenger girls set out for a race from London to that seaside resort. Six "turned it up" at the half way line. Three finished in various stages of dishevelment.
