Extinguish Fires Quickly

A light electrical storm last Mon-day resulted in four fires boing started in the Wenaha national forest, but the promptness of the patrols in getting to the scene of the fires resulted in them being extinguished before they had spread beyond a few feet, according to

J. C. Kuhns, forest supervisor, who with Mr. Kuhns has returned from an inspection over the forest. Some telephone installation and location of trail work was done on the journey. The forest floor is very drz, and any electrical disturbance of any conse-

quence is very likely to result in sev-eral fires, according to Mr. Kuhna, The lookouts and patrols are very much alert and in roadiness to fight quickly at the first sign of a blaze,
