MEXICAN PARTIES TO CONTEST CONGRESS

By FREDERICK S. NEUMEIER (United Press Staff Correspondent)
MEXICO CITY (By Mail to United Press)—Indications here are that the opening of the new Mexican congress will be a stormy one. Duplicate credentials have been issued in many states and reports are that nearly half of the members of the chamber of deputies will have to fight for their seats.

Reports have even gone so far as to predict the establishment of two congresses, unless matters are straightened out before the formal opening on September 1.

The Constitutionalist party leaders have been meeting in Mexico City recently and laying plans for the defense of the credentials of their members.

The Cooperatista party, which claims a majority for the government also has been preparing for a fight. The leaders have been holding secret meetings.

While Francisco Villa has kept out of the political campaign, the Constitutionalist look to him for moral support at least.

BRITISH CAPITAL SHOWS INCREASED DRUNKENNESS

LONDON, Aug. 3.—(U. S. S.)—Drunkenness is on the increase in London, since the hours for the sale of alcohol were extended last September, according to the Scotland Yard report.

In this city of 7,000,000 people the weekly number of convictions for drunkenness averages 111, as against 128 before the increased hours.

Easter week in 1920 was the lunest week for the drinkers, however, the report shows, for during that week there were 7171 convictions for drunkenness, a record for London.

During 1921 there were 27,410 people convicted of drunkenness, of whom 5494 were women. This total is 2546 less than in 1920.

COURT MUST DECIDE WHO GETS COIN TAKEN IN GAMBLING DEN

SHERIDAN, Wyo., Aug. 3.—(U. S. S.)—Serving papers upon himself is getting to be a daily task of Sheriff Dolph Thomas, of Sheridan county, and he says he wonders where it all will end, for no less than three times in as many days he has had to serve papers upon himself to make answer to cases filed against him in the district court.

And all because one stormy Sunday evening last December when most of Sheridan was at church, Otto Haegger is alleged to have robbed the Palace Pool Hall of \$499.92 in silver, 1186 of which he said he had lost earlier in the evening.

Haegger was taken before a jury in the district court and admitted robbing the game, which he said was being conducted in a specialty hall on the sidewalk beneath Main street's sidewalk within a block of the police station.

Then Orin Moore, whom Haegger served in court was "running the game, called the sheriff into a quiet corner and suggested that he be given the money. Another refusal and another suit.

Later W. P. Keith, proprietor of the pool hall, whose innocent looking tables covered over with their Sabbath dressings concealed more interesting tables in the sidewalk casino, made a visit to the sheriff.

"Say, Dolph, how about handing over that money? That was house funds, and I've got to have it," he said.

But Keith had told the court that it was money he had exchanged with Moore for currency in place of the bulky silver that had been collected, as he said, "in Saturday night's pool games."
