News Notes of Pendleton

September 21, 22, 23, Round.

Mitchel, of Hermiston; C. L. McFadden, of Athena; F. H. George, of Echo; and Mrs. L. B. Storm of Milton.

Assignment Is Made.

Notice has been received by local business concerns that an assignment for the benefit of creditors has been made by the Milne Electric company. Stores are maintained at Pendleton. La Grande and Freewater. The local store is on Alta street. The assign-ment is said to have been made to the Portland Association of Credit Men.

Cream Tests High.
Tests made by the State Dairy and Food Commissioner's office of cream produced by dairymen of the west end of the county show that some of the of the county show that some of the highest percentages of butterfat found in the entire state were made from cream produced at Hermiston and Stanfield. The showing made in the tests is published in the quarterly issue of the Oregon Dairy and Food Bulletin. Following are some of the tests: A. W. Agnew, Hermiston, 39 R. A. Bottcher, secretary of the Penters and 42 per cent and 41 per cent.

change in the weather is predicted. The maximum today is 90, the mini-

Frank Curl expects that harvesting operations on his ranch east of Pendleton will be concluded by this evening. "The yield is not as good as it normally is," Mr. Curi said this

Several articles have recently appeared in the Oregon Journal on the editorial page which were written by Christ Lucus. The writer of the articles day. Yields are much better, too, Christ Lucus. The writer of the arthan farriers anticipated earlier in the

The combine on the L. L. Mann ranch is quiet today because the job of harvesting this year's crop of wheat was finished last night. The yield was not up to the standard of former years, Mr. Mann states. Many ranchers in this neighborhood who have not already finished will be done by the end of the week, he said this morn-

J. Hoagland, charged with illegal where a still and a quantity of liquor and mash were found. Hoagland pleaded not guilty at his hearing.

The funeral of the late Mrs. Mary Miller, wife of Ernest Miller of Helix, will be held here Thursday at 2:30 p. m. from the Christian church with Rev. W. A. Gressman, pastor, officiating. Mrs. Miller was born in Germany in 1877. She is survived by one son, Howard. Mrs. Miller had been in ill health for the past 20 years and has been in Pasadena in the hope of convalescing. The body will arrive here tonight from California.

Walla Walla Officials Visit
Mayor Ben Hill of Walla Walla, accompanied by other representatives of the city government, was a caller in Pendleton yesterday afternoon. The Washington municipality has added to the reservoir capacity of the city water works recently. The coporation of Umatilla county was necessary in some of the work done. "We certain-ly appreciate the courtesies extended by Umatilla county officials in expediting the extension to our water works system," Mayor Hill said during his stay.

Kash Kash Gets Decision.

James Kash Kash and wife are winners in a suit regarding the will of the late Tamassammi, aged Indian woman who left 160 acres of reservation land to the two Indians, who were her distant cousins. The decision was received from Washington, D. C. was received from Washington, D. C., today from the commissioner of In-dian affairs. The will was contested a year ago by Tamassammi's niece, Wawintalet, known as Annie Hays. It was argued on brief at Washington a was argued on orief at washington a year ago, Will M. Peterson representing the Kash Kash interests and Judge S. A. Lowell and Judge Will R. King the interests of Annie Hayz. After a request for a re-hearing, the

case was re-argued, Kash Kash and wife winning the decision.

Spokane Names Committee T. S. Lane, recently named by the Spokane Chamber of Commerce to head a committee to have charge of arrangements for bringing a special trial load of Spokane people to the Pendleton Round-Up this full, has designated the members of his com-mittee, according to a letter he has written to C. I. Barr of the commercial association. The members include Ben C. Holt, Holt Manufacturing Co.: L. M. Davenport of the Davenport Hotel; Waldo G. Paine; W. R. Shey. Union Pacific System; and W. H. Ude, Northern Pacific. Tentative plans call for the trip from Spokane to Pendieton and return to be made on two different lines. More details about was a visitor here Wednesday, called the proposed special will be settled at by the serious illness of her father Dr. a committee meeting Wednesday, ac-cording to the letter written by Mr.

Look over this "ad" and read. The items suggested are timely and are of the best of quality, priced at about what you want to pay. The opportunity for you to test out our values in quality merchandise is a splendid one.

To While Away Summer Days

One would hardly class hand sewing as an outdoor sport but there comes a time in the best regulated climates when you would rather sit still than not. That you may have a little work handy for those days when the sun is too high in the Heavens or when Jupiter Pluvius stages a shower, we are featuring the following:

Handsome Bed Spreads are not the tremendous tack they look. French knots and patchwork applique work up quickly and are stunning finished with fringe or a couched hem. Bed spreads stamped on unbleached muslin. Priced at \$3.95

Garments Semi-made—cause surprise for the material is unusually good and only a little hand work is required to finish them, lending individuality to children's dresses. Special at 95c

Hope Box Gifts-even Christmas presents can be started now. Fresh new pieces stamped with interesting patterns are ready for your fingers.
