ENGLAND SUFFERS BIG LOSS FROM DISABLED

GLASGOW, Aug. 17.—"The total sickness and disablement of the population of Great Britain amounts to a permanently sick or disabled army of 804,000 persons," said Lieutenant-Colonel Freemantle, M. P., at the meeting of the British Medical Association.

"The financial loss to the treasury through the incapacity of these people amounts to two and a half million pounds per annum; the loss to the national income from personal service amounts to fifty million pounds per annum; the employment of 200,000 doctors, chemists, nurses and attendants for home sickness costs fifty-nine million pounds per annum; in addition, the indirect effects of epidemics on industry cost eleven million pounds annually."

"Altogether the direct material loss to the community of England and Wales from sickness and disability amounts annually to one hundred and fifty million pounds."

FEW BOOTLEGGERS TRIED IN COURTS AT ATLANTA

ATLANTA, Ga., Aug. 17.—(U. S. N. S.)—Only a few bootleggers in Atlanta are ever caught and of these few 85 per cent get off with a "small license fee" according to a report prepared by the commission on elixirs of the Christian Council of Atlanta and submitted to the Evangelical Ministers' Association.

The average monthly fine for the month of June in the City Criminal Court, where misdemeanor cases are tried, was \$52.85, according to the report, which characterized this sum as a "license fee."

"What are we coming to?" the report asks, reciting that in a total of 167 liquor cases disposed of in the court during June fines were imposed on 101 and chain gang sentences on

nineteen.

Presuming those forfeiting their bonds to be guilty, the report continues, there was only 15 per cent of those found guilty who were punished other than by license fees averaging \$52.85.
