Married 45 Years
That a romance which culminated in marriage 45 years ago no longer should exist is the inference to be drawn from a suit for divorce which has been filed in circuit court by Julia Minthorn against Robinson Minthorn, both Indians. The couple were married first according to their tribal custom 45 years ago at Lapwai, Idaho, the complaint sets forth. It was just 38 years ago that they were married a second time in accordance with civil laws of the state of Idaho. Eight children were born to them, all of whom are dead, it is stated. The plaintiff sets forth that twice before, once in 1919, and again in 1920, she filed suit for divorce, but withdrew the suits when the defendant promised to return to her and live with her. Since the second suit was withdrawn, the defendant has been living with Agnes Craig, an Indian widow, it is claimed. The plaintiff asks the court for a judgment for one-third of the estate which she sets forth is worth about \$35,000. She asks also a restraining order to prevent the defendant from selling any of the property or injuring her. Fee and Fee represent the plaintiff.

How glorious you will feel, mother, when your rheumatism is all gone. Let S. S. S. do it. It will build you up, too!

S. S. S. Thoroughly Rids the Body of Rheumatism Impurities.

Somebody's mother is suffering tonight! The scourge of rheumatism has wrecked her body. Limping and suffering, bent forward, she sees but the common ground, but her aged heart still belongs to the stars! Does anybody care? S. S. S. is one of the greatest blood-purifiers known, and it helps build more blood cells, its medicinal ingredients are purely vegetable. It never disarranges the stomach. It is, in fact, a splendid tonic, a blood maker, a blood enricher. It banishes rheumatism from joints, muscles and the entire body. It builds firm flesh. It is what somebody's mother needs tonight! Mother, if you can not go out to get a bottle of S. S. S. yourself, surely somebody in your family will. Somebody give a bottle of S. S. S. now! Let somebody's mother begin to feel joyful again tonight. Maybe, maybe it's your mother! S. S. S. is at all drug stores, in two sizes. The larger size is the more economical.

CHICAGO, Aug. 22.—A hearty kiss, a surreptitious hug, \$1,000 in small bills—all from a beautiful lady rivaling the dreams of poets. And then the lady disappeared. But if the lady doesn't appear, Nicholas J. Hoffman, an ex-serviceman, may go to prison, possibly die, for he has already been in five government hospitals. Hoffman was arrested charged with having stolen an automobile. The ex-serviceman says he bought the car with \$1,000 given to him by the aforementioned beautiful lady. "On the night of July 20," says he, "I was at Ardmore Beach. Suddenly I heard a scream. It came from a beautiful young lady dressed in a one-piece bathing suit. As she went down for the third time I jumped in and rescued her." She did not reveal her name, continues Hoffman, but asked him to meet her at the Edgewater Beach hotel, where she would reward him. This she did, giving him \$1,000, the kiss and the hug. Now as the French say: Find the woman.
