NORTHERN PACIFIC RAILWAY
at Pasco, Wash.

BLUNDERS CORRECTED

By ARTHUR C. LEUDER
Postmaster, Chicago, Illinois

Postal regulations require that the enclosures of window envelopes must be folded so that they will not shift around, obscuring all or a part of the address. It is also required that the return address in the upper left corner must include the street address or post office box number of the sender. Much annoyance results when window envelopes do not conform to these requirements.

Illustrated "Blunder" at Bottom of Page 3
