Work has begun at Astoria on a new \$30,000 office for the Baptist congregation.

LIGHTNING DIVISION WILL HOLD REUNION

WASHINGTON, Sept. 5.—A call has been issued by Lt. Col. A. J. L'Heureux, former adjutant, to all members of the 73d (Lightning) Division to attend the first annual reunion of the division, in Atlantic City, September 29 and October 1.

The division, which was organized at Camp Dix, N. J., from national army men of New York, New Jersey, Delaware, Illinois and the New England states, saw active service in the Toul Sector and in the St. Mihiel and Argonne offensives.

Major General James H. McRae, who commanded the division during the war, Colonel Charles D. Herron, Chief of Staff, and Lieutenant Colonel Walt C. Johnson and Major James L. Frink, assistant chiefs of staff with the division during the war, will be among those attending the reunion, it was announced.

7 YEAR OLD SON AT DAD'S 87TH BIRTHDAY

MIDDLEPORT, Ohio, Sept. 5.—His seven-year-old son contributed to the pleasure of the celebration marking the eighty-seventh anniversary of the birth of Herbert Jacobs at his home in Keger. The aged man is in fine health. Jacobs has been married twice.

MARSHAL FOCH'S IDEAS AS YOUTH WERE MODEST

PARIS, Sept. 5.—Marshal Foch became reminiscent a few evenings ago at a small dinner party. He was asked what he wanted to be when he was a boy—soldier or merchant—or what?

"I can't reply very well to that," he answered and his eyes twinkled. "But when I was a young officer I used to build air castles. I envisioned myself attaining the rank of colonel and retiring with the honor of the cross of an officer of the Legion of Honor."

WORK FOR GOVERNMENT

MELBOURNE, Sept. 5.—About one in every twelve adults in the Commonwealth of Australia is in the employ of the government of either the states or the commonwealth. Since the federation of the states in 1900, the salary outlay of the federal and state governments has increased from about \$55,000,000 annually to \$178,000,000, and the number of employees has increased from 87,831 to 248,976.

Fire permits issued at the office of the Deschutes national forest since July 23, total 221. Permits are still required for campfires within the forest.

Silhouettes this season are various and variable. There is the basque, with the full skirt, the slightly fitted bodice with long straight skirt varied with drooping panels or side drapes and, by way of variety the up and down silhouette with the bloused bodice. This usually exaggerates the sleeves for fashionable effect.

ARCADE TODAY

Alaska in the days when the woolly gold-dust from the cleanups in the creeks came pittoresquely into town escorted by horsemen armed to the teeth, when dance halls and gambling dens ran unchecked, when men maddened by the lure of gold valued the life of a human being less than they did that of one of their wolf-dogs—that is the Alaska famed in song and story, and now shown on the screen in all its hectic realism. It remained for Universal to film the real history of Alaska from 1867 to 1900 and make of it a continued feature—"Perils of the Yukon"—the first chapter of which will be shown at the Arcade Theatre today.

"Perils of the Yukon" tells an intense and thrillingly dramatic story of the adventures of one American during the stirring days of the period from the late sixties to the early nineties, having its climax during the gold rush days when the title of this feature was the phrase on every one's lips. There are many residents of this town who still remember those days, and perhaps were among those that nursed a secret longing to "hit the trail for the Yukon."
