CUILD GIRLS TO GIVE PLAY.

The young ladies of the World Wide guild of the Papiest church will present a missionary play called "The Pili Bottle," at the church, Alta and Johnson streets, on Thursday night at 8 o'clock. Mrs. Franklin G. Huling, the pastor's wife, has been training the girls for several weeks and they are enthusiastic about the play. The story is taken from life in India and is said to depict life there better than most plays do which attempt to inter-pret the life of people of India. There are twenty girls and young women in the cast and they will appear in cos-tume. There will be no charge for acmission but a silver offering will be received to cover expenses.

Later in the day what support there was i nithe market was filled up, and the close was rather easier at about the bottom. Reports to the effect that export business in American wheat the mast few days has been larger than reported falled to revive confidence in the market, it was said that Germany had bought about five million wheat in the past few days, and that the bulyk of hard winter at Buffalo, Montreal and other points ahd been cleaned up. Windings message also infomted that a large business had been done in Canadian wheat, but added that the prospective movement will mare than offset the demand. Receipts at winter wheat markets show a falling off while the domestic milling demand is broadening. M. Dupuis and daughtter in law, Mrs.; C. R. Hazen,
