TURKS CONTINUE ADVANCE TOWARD STRAITS; GREEKS AGREE TO WITHDRAW FROM THRACE

YANKS FAIL TO TAKE GAME IN WORLD'S SERIES

Giants Won Yesterday 5 to 3; Two Other Teams Have Lost All Games of Series. HIGGINS PROBABLY WILL BE REPLACED Quarrels Frequent in Yank Dugout; Giant Players Get \$5000; Yanks Get \$3500.

NEW YORK, Oct. 9.—The four game victory makes the Giants world champions for a second time. Beaten as only two teams have been beaten in previous world series, the Yankees have only one title, that of American league champions. This was won with only a one game margin. Back in 1907 the Detroit Tigers lost to the Chicago Cubs without winning a game. In 1914 the Boston Braves beat the Philadelphia Athletics four straight. This year the best the losers could get was a tie game. Total receipts for the series, excluding money taken in the tie game, which went to charity, were \$484,921. Players got nearly a quarter million, the owners eighty two thousand, while over seventy two thousand went to the organized baseball advisory council.

Changes Expected NEW YORK, Oct. 9.—(I. N. S.)—Post mortem on the world's series brought to conclusion Sunday with the Giants winning five to three, copping the title without the loss of a game, may be summed up by stating this salient fact, to-wit: The Yanks cannot hope to repeat next year in the American league race unless drastic changes are made in the personnel of the club. They must get a new team for the manager of a new team for the team and since the latter may be accomplished with considerably less trouble and money than the former, it is to be assumed that Miller Huggins will go and the majority of his self centered morons, will stay. Colonel Houston, part owner of the club, has been gunning for Huggins these several years, and its probable that Huggins has demonstrated that he can get only the minimum of baseball out of those discontented prima donnas.

CATTLE WEAK. PORTLAND, Oct. 9.—(A. P.)—Cattle were weak, hogs a quarter higher, prime light ten fifty to eleven; sheep steady, eggs firm, butter steady.

RESERVED SEAT SALES FOR OREGON-WHITMAN GAME OPEN TOMORROW

The reserved seat sale for the Oregon-Whitman football game which will be played in Pendleton on Friday, October 29, at Round-up park, will open tomorrow morning at Savelle's, according to a statement made today by Philo Rounds who is in charge of ticket sales. Present indications are that the crowd will be large. Walla Walla people have already asked for reservations for 20 boxes with prospects of more to come. Other reservations have been made from Milton, La Grande and Baker with sprinkling requests for boxes from boards from other towns in Eastern Oregon and Washington. Reservations are being allowed now on box seats only. Only the boxes which will be within the goal lines will be sold, according to Mr. Rounds. The end boxes in the grandstand are beyond the goal lines, and these will not be sold. The price for the game will be \$2, \$1.50 with student tickets at 50 cents. All the crowd will be housed under the grandstand, so the spectators will be immune from any possible deflection on the part of the weather man.

HARD LUCK

PURSUED KING GEORGE BUT HE NEVER GAVE UP.

QUEEN ELIZABETH AND KING GEORGE OF GREECE.

(By NEA Service.) ATHENS, October 9.—Persistent through many disappointments and setbacks, George, Duke of Sparta and eldest son of the former King Constantine, is at last on the throne. "Until he's going to stay there— and he's going to stay there," said the people say they want no more," he declares. But the hopes that day will never come, for he likes his new job better than anything else in the world. He had been after it for a long time. Twice he was in line for it. But politics interfered and George had to take a back seat. Following revolutionary troubles in 1917 both he and his father had to flee. George went to Rumania. His younger brother Alexander came into power. When Alexander died in 1920 from the effects of a monkey bite, the refu-

WHITMAN LOST GAME TO IDAHO 3-0, BUT WON ON PROTEST

That the Oregon-Whitman game to be played at Round-up park on Friday October 29 will be a highly interesting affair was proven by the showing made at Walla Walla Saturday when the Whitman eleven held Idaho to a 3-0 game. The Idaho warriors victorious through a field goal have since then apparently lost the game through a ruling by the court conference that Bob Fiske, star half back, is ineligible to play. Fiske was protested before the game but was allowed to play under protest. Though objected somewhat by the heavier Idaho eleven Whitman put up a scabrous game. During the first quarter the teams appeared nearly evenly matched and in scrimmage there was little to choose between them. However Idaho outplayed the boys of Marcus during the last half and were particularly strong in breaking up Whitman attempts at forward passes. Almost invariably an Idaho player would get the ball when Whitman tried the pass. On the other hand Idaho successfully worked the forward pass several times. A feature of the game was the sturdy defense made by Whitman when their own goal was endangered. Several times Idaho threatened a touchdown but each time Borleske's men held like a stone wall. Once Idaho broke up a forward pass and carried the ball over the line but Idaho was off side and the score was not allowed. During the first half Whitman gained heavily through a long run and had a chance to score but failed.

ARREST MADE IN THE HALL-MILLS MURDER MYSTERY

Admirer of Bahmer Girl Accused by Rival of Crime; Case of Mistaken Identity.

CHARGE DENIED WHEN ARREST WAS MADE

Neither Knew Anything of Love Notes Found Near Bodies; Detectives Continue Work.

NEW BRUNSWICK, N. J., Oct. 9.—(A. P.)—Clifford Hayes, nineteen year old admirer of Pearl Bahmer, who found the bodies of Rev. Edward Wheeler Hall and Mrs. Eleanor Reinhardt Mills, choir singer, was arrested today formally charged with first degree murder. Raymond Schneider, who was with the Bahmer girl when the bodies were found, was held as a material witness. Prosecutors took him and Strickler of Middlesex and Scherret counties, say that Schneider picked a three hundred word statement accusing Hayes of the crime. According to Schneider's statement the double slaying was the result of a mistaken identity. He had gone out with Hayes on the night of the murders, he said, trailing the man who accompanied the Bahmer girl. Seeing the couple beneath the crab apple tree, he said, Hayes opened fire. When confronted with Schneider as the latter retold the story, Hayes said, "He is a liar." Schneider, who admitted he knew the Bahmer girl, said he was standing on the street with Hayes and Leo Kaufman when they saw the girl pass with her stepfather, Nicholas Bahmer, he said, and when he told the others his suspicions they agreed to follow the pair. They searched the park. There Kaufman left them. Then Schneider and Hayes proceeded to the nearby Phillips farm, where the shooting occurred. Both fled after they discovered the mistake. Schneider said that neither touched the bodies and he did not know how Mrs. Mills' throat was cut, nor who laid out the bodies under the tree, carefully adjusting the clothing. He said neither saw the love letters written by Mrs. Mills, which were found scattered about. Detectives are continuing to work on the case, indicating that they will not be satisfied until the case is wholly cleared up.

POTATO SHOW PLANS ARE PERFECTED BY COMMITTEE IN CHARGE

Exhibits of Other Land Products; But Prizes to be Offered for Spuds Only. Arrangements for classes and prizes to be offered when the first annual Umatilla County Potato show is held at Weston, Saturday, October 21, have been worked out in detail by the committee in charge of the show. Assistance in the work was furnished by Fred Beaman who met with the committee. An effort is being made to secure the services of Prof. George Hyslop as judge, but it has not definitely been decided whether he can be present on the date that has been set for the show. Exhibits of wheat, corn and other products of the land are invited by the management, but prizes will be offered only for potatoes. The show will be held in Memorial Hall from 6 o'clock in the morning until 6 o'clock in the evening. The winning potatoes in the various classes will be entered in the Land Products show at Portland in November. Committees from Burns, Weyer and James Smoak are expected to look after securing exhibits from Reed and Hawley mountains, and Carl G. Reuber was appointed to assist them in the work. Committeesmen W. L. Rayburn and Jay V. Smith will perform a similar service on Weston mountain. The Weston committeesmen, J. H. Pries and Carl Wood, will assist Mr. Beaman in receiving and placing the exhibits. The ladies of the Weston Mountain Community club will arrange to substantially ready the "inner man" on the day of the show. The prize offerings follow: Class A—Seed Potatoes—First \$10, second \$5, third \$2, fourth \$1, fifth ribbon only. TIMBER BARONS RAISING BIG FUND TO FIGHT PIERCE; THEY FEAR TAX EQUALIZATION PLAN

In the Sunday edition of the Oregon Journal a sensational story appeared telling of a \$25,000 slush fund being raised by lumber men and others with a view to fighting the election of Walter M. Pierce as governor. The move is evidently inspired by fear on the part of timber and lumber men that Mr. Pierce if elected will succeed in a plan to equalize taxes so as to relieve the farmer and home owner from some of the burdens now carried.

GAME APLENTY KILLED BY ESTES AND SWEET IN BRITISH COLUMBIA

James H. Estes and Thud Sweet, who have been in the wilds of British Columbia for the past five weeks, had splendid success on their hunting expedition, according to a telegram received this morning by Mrs. Estes. The telegram was sent from Blue River, B. C., Sunday night. It is as follows: "I am fine. We killed five grizzlies and two black bears, three caribou, three goats and two sheep."

THOMPSON FUNERAL HELD THIS AFTERNOON

Funeral services for the late Mrs. S. R. Thompson were held this afternoon from the Presbyterian church of which she was a member. Rev. George J. Clark officiated in the presence of scores of friends who filled the church to overflowing, and who brought hundreds of exquisite floral tributes as a mark of the esteem and love in which Mrs. Thompson was held. Taking as his text, "Her sun is gone down while it was yet day," Rev. Clark said: "Life's span is three score years and ten, according to divine economy. Since however, the value of life is determined by quality rather than by length of days it is easily demonstrated that the elements of interest in character and career, the qualities in variety, are capable of being clustered upon a very few branches of that common human nature, one touch of which makes the whole world kin." Rev. Clark characterized Mrs. Thompson as a loving and beloved daughter, a true wife, a wonderful mother, and above all, a Christian. These qualities, he stated, are the distinguishing traits of noble persons, the charms of character and strength and the picture of the soul. "If we might catch the sound of her voice," said Rev. Clark, "coming back from that mysterious yet inevitable voyage, it would call us closer to Him who cried 'I am the Way the Truth and the Life.'"

KEMALISTS FAIL TO STOP MARCH TOWARD CAPITAL

Advance Places Moslem Army Within Day's March of City of Constantinople.

ADVANCE ALSO MADE TOWARD THE BRITISH

British Are Blowing up All Bridges and Cross Roads in Vicinity of Chanak.

MUDANIA, Oct. 9.—(U. P.)—The Near East situation is somewhat clarified by the Greek government representatives agreeing to withdraw their national forces from Thrace, but say they need two months, not the stipulated one, in which to do it. Allied representatives met with Ismet Pasha today and Turkey continued to mass in the neutral zone, less than one days march from Constantinople. This is considered menacing. Ferry service across the Bosphorus has been suspended on this account. Despite Ismet's promise to cease concentration of troops in the neutral area, the Kemalists advance into the zone is heavier than ever. Turkish cavalry have reached Shile and Yarmise, both places within a days march of Constantinople. Cavalry is also near Karayakobi, in the same area. Concentration near Chanak is exclusive of infantry, indicating the Turkish desire to dig themselves in and thus hold their positions.
