THREE ESCAPED PRISONERS WERE CAPTURED TODAY

Capture Was as Sudden and Unexpected as Escape Yesterday at Los Angeles.

MEN DID NOT RESIST CAPTURE BY OFFICERS

Plans Obtained in Attempted Escape in April Aided in Capture of Master Criminal.

LOS ANGELES, Oct. 18.—(A. P.)—Three jail breakers, Herbert Wilson, former Brownsville, Ore., preacher, mail hand and convicted murderer, Adam Blaszyk, alias Ward, convicted of murder and Guido Spizicola, convicted robber, were recaptured here today after twenty-four hours of liberty. They were taken without a struggle in the house of an ex-convict, not far from where the automobile which they stole was abandoned. Sheriff Traylor and a posse surrounded the house and effected the capture with the same suddenness that the trio surprised the jailers in the break yesterday. The capture resulted from the use of the plans Wilson had formulated for concealment after the attempted break last April in which Herbert Cox, Wilson's partner, was killed. The sheriff learned last April that Wilson planned to use the home of Tom Garwood, known as Wilson's pal. Immediately after the escape yesterday the sheriff had the Garwood home watched. Early today three men were seen to sink into the house. A heavy posse then surrounded the house.

Postal Men Return
LOS ANGELES, Oct. 18.—(U. P.)—The police learned the men were still in the city when L. M. Storey and Emery Bean, postal employees, whom prisoners forced to drive them away from the jail in a mail truck, returned to the police with the jail keys after they had been kept imprisoned in a chicken coop until after dark. They said Wilson treated them courteously.

High Grade Golf Is Promised for Walla Walla Meet

WALLA WALLA, Wash., Oct. 18.—That the field entering the annual tourney for the Walla Walla Country club's loving cup to be started here next Saturday will be one of the best ever seen on a local green, is the opinion of Jack Renner, former instructor at the municipal links in Portland. Renner, who is instructor for the local country club, says that the play of the Walla Walla golfers has improved greatly this year and that the competition will be especially keen. K. Falkenberg, who won the cup last year, will retain it permanently if he wins this year. Other winners of the cup are Everett Smith and Dr. R. W. Smith.

Qualifying round of 18 holes will be played next Saturday and Sunday and on the following week-end the 16 making the best scores in the first two days' play will be matched for places among the four who will play for the cup a week later.

BASEBALL PLAYER INJURED
SAN FRANCISCO, Oct. 18.—(A. P.)—Harry Heilmann, star Detroit American outfielder and former San Francisco Seal, has written his brother here that he may never play baseball again on account of injuries suffered during a game at Washington just before the season closed. Heilmann fractured a collar bone and broke his shoulder when he tripped over first base after hitting safely.

MRS. ROY GARDNER WILL APPEAL FOR OPERATION ON CRIMINAL HUSBAND

LEAVENWORTH, Oct. 18.—(U. P.)—Mrs. Roy Gardner, wife of a President robber, plans to appeal to Washington to appeal for an order to relieve her husband of tendencies. She will appeal to President Harding and Daugherty for permission to have the trepanning operation performed on Roy's brain. The wife is convinced that pressure on her husband's brain makes him a criminal.

Heppner Hunter Dies Victim of Accidental Shot

PORTLAND, Oct. 18.—W. O. Minor, brought to Portland from his home at Heppner where he was accidentally shot while hunting pheasants Sunday, died a few hours after he arrived at the Good Samaritan Hospital Tuesday. Minor was resting on the ground beside a tree against which his gun was leaning when his dog ran against the gun, causing it to discharge when it struck the ground. Minor was so close that the entire charge of buckshot entered his shoulder and chest. He was 52 years of age and a banker and farmer. He is survived by a wife and two children.

PRICES TOO LOW SAYS HARDING TO FARMERS

WASHINGTON, Oct. 18.—(U. P.)—Predicting a "new era of activity and prosperity" for the United States, President Harding today promised the nation's farmers that they would be first to get deserved recognition in this new era. Secretary Wallace read a message containing this good cheer to the farmers gathered at Washington court house, Ohio. Harding said the administration had already done much to restore prices and markets for the farmers, but that prices were still too low and the farmer was not being adequately compensated. Harding said the farmers never would unite on a program of decreased production as some farmer leaders recently threatened.

LOCAL PEOPLE URGED TO BUY TICKETS NOW

General admission tickets to the University of Oregon-Whitman football game to be held here Friday at the Round-Up grounds are now on sale at Sawtelle's Jewelry Store, according to announcement made today by R. S. Jerald, one of the members of the general committee. It is urged by the committee that local people buy their tickets at once to prevent a rush on Friday, when out-of-town visitors will wish to purchase tickets. Out-of-town visitors who wish to take advantage of the reduced fares for the return trip after the game, are asked to have their tickets validated at the Commercial Association, in the Elks building.

STRAY SHOT MAY COST HERMISTON MAN A FOOT

(East Oregonian Special.)
HERMISTON, Oct. 18.—Jess Gossage, aged 23, may lose his right foot as the result of an accident which occurred last night when his gun was accidentally discharged at the Gossage ranch near Hermiston. Gossage went into the fields to get a disc, taking with him his gun, in the hope of seeing a pheasant. The gun which was placed against a fence post, fell down and the fall from one barrel shattered the bone in Gossage's foot. Dr. R. S. Gale says it is doubtful if the foot can be saved. Gossage is suffering from much loss of blood.

CITY OF HONOLULU SENT TO WATERY GRAVE TODAY

ON BOARD THE TAMAROA, Oct. 18.—Great board school girls from twenty-five states into the fire swept mall of the City of Honolulu today, sending the once luxurious passenger liner to the bottom. Masters of several vessels viewed the disaster and reported it was not worth salvaging. Then the shipping board ordered her sunk. After the shots took effect the vessel settled slowly, the bow lifted high out of the water, passed majestically for a second, then with a ponderous backward and downward slip, the former German liner went under.

21 HUSKIES ON WAY HERE FROM EUGENE FOR GRID GAME AGAINST WHITMAN ON FRIDAY AFTERNOON

Oregon's backfield who will try to plunge through Whitman's line at Round-Up park Friday afternoon. They will arrive with the squad at 6:55 tomorrow morning. Reading from left to right, Gram, half; Latham, full; Johnson, half; and Chapman, quarter.

UNIVERSITY OF OREGON, Eugene, Oct. 18.—The university football squad, 21 strong, accompanied by coaches, Huntington and Spelman, Trainer Hayward and Lawrence Hall, student manager, left Eugene at 7:30 o'clock this morning for Portland on the first leg of their journey to Pendleton, where they will play Whitman college Friday afternoon on the Round-Up grounds. "Pink" Callison and "Tiny" Shields, last year's stars, who have been out of the game on account of injuries sustained this summer, accompanied the team. In addition to Shields and Callison, Ed Chapman, Oregon field general, and Dutch Gram, halfback, who was laid out in the Williams game and who were unable to play against Whitman, are again in shape and are expected to play against the Missourians. Due to the large number of minor injuries with which the members of the team are suffering, Coach Huntington was forced to take an extra large squad. Three centers will make the trip—Callison, Pelee and Bill Johnson. None is in first class shape. For guards Huntington has taken Floyd Shields, Parsons, Dick Reed and Zachary Reed, who sustained a strained ankle against the clubmen Saturday, is now in fair shape and will be used should he be needed. The tackles are Tiny Shields, Karl Vonderahe and "Fats" McKeeven. All of them probably will be used against Whitman. For the wing positions, "Red" Brown, Bill Spear and George Plea will be taken, while there are eight backfield men—Chapman and Russ Brown, centers; King, Terjeson, Jordan, Kirtley and Gram, halves, and Latham, fullback. Latham was injured last scrimmage against the

UNIVERSITY BANQUET HAS BEEN POSTPONED

The University of Oregon alumni banquet to have been held on Friday evening at the Elks Club, following the University of Oregon-Whitman game, has been indefinitely postponed. The purpose of the banquet is to arouse interest in the "Million Dollar Gift" campaign and local alumni believe that it would be better to hold the banquet at some future date than on the night of the game.

INVESTIGATION OF C-2 DESTRUCTION STARTED

FAN ANTONIO, Oct. 18.—(U. P.)—A military board today began investigation of the destruction of the dirigible C-2. The condition of the eight injured is reported satisfactory. The three landed, including Major Strauss, commander, will recover.

LEGION VOTES TO PUSH FIGHT FOR BONUS BILL

Vote Was Unanimous for Resolution Introduced Which Declared for Compensation. JUDGE LANDIS SAID BONUS WAS JUSTICE

Thirty Thousand Delegates in Big Parade This Afternoon Following Session.

CONVENTION HALL, New Orleans, Oct. 18.—(A. P.)—Demand for a roll call that the "world may know where we stand on the bonus question" followed a viva voce vote today, affirming the report of the resolutions committee which declared the American Legion will "continue to fight for the legislation until it is enacted." The decision called for by Commander MacNider resulted in the announcement of a unanimous vote. One delegate who voted "No" by mistake, cried out his apology when hundreds of delegates yelled, "Who is he?" Baseball Commissioner Landis today told the convention that the Legion's stand on adjusted compensation was based on justice. The sentiment of the south crystallized for Edwin W. Dwyer of Texas, national commander. Following the business session the delegates marched in a parade this afternoon. There were more than thirty thousand in the line.

GOVERNOR OLCOTT WILL SPEAK AT ALTA THEATER HERE THURSDAY EVENING

Governor Ben W. Olcott will not be in Pendleton until Thursday night to make his talk to Pendleton people, according to a statement made this morning by A. G. Hall, county chairman of the republican central committee. The meeting will be held at the Alta theatre Thursday evening at 8 o'clock. Chairman Hall will preside at the gathering and will introduce the speaker. Thomas B. Kay, former state treasurer, is accompanying the governor on his tour of the state and he will also speak here.

LOVE LETTERS MADE PUBLIC IN HALL-MILLS CASE

Criminal Investigator Gives Opinion of Murder; Jealous Woman is Blamed. HALL BELIEVED KILLED IN DEFENDING WOMAN

Letters Were Found in Hall's Pockets and Near Tree Where Couple Were Found. NEW BRUNSWICK, N. J., Oct. 18.—(U. P.)—Plying references to "another woman" forcing to content herself with the "crumbs" of Rev. Edward Hall's affections, are contained in Mrs. Eleanor Mills' love letters to the slain clergyman. Prosecutor Beckman made them public today. They were found in the dead clergyman's pockets and torn and scattered about the dead pair when discovered under an apple tree. The letters are replete with such phrases as "I am tired today—want to lie with you and rest for hours." "Because you and I hunger for the same thing is the reason for our longing to be together. "Oh, you sweet, adorable babykins of mine." "Poor Minnie, she is easily contented with the crumbs, isn't she, dear?" "Poor minnie" is not Mrs. Hall. "Babykins" was Mrs. Mills' name for Hall. In an article written for the United Press today, Florence North, criminal investigator, declared her theory of the Hall-Mills crime. She believes that Mrs. Mills and Rev. Hall were kidnaped while keeping a rendezvous in the park. A jealous woman and confederates imprisoned both in a lonely house, though not on the Phillips farm. She attacked Mrs. Mills. Hall defended her and was shot accidentally. Then the jealous woman and Mrs. Mills fought, the former being victorious. The bodies were arranged under the tree after Mrs. Mills' face was mutilated.

NEW YORK DIAMOND SALESMAN ROBBED

CHICAGO, Oct. 18.—(U. P.)—Four bandits last night left and robbed Max Moser, New York jewelry broker and escaped with three hundred thousand dollars worth of unset diamonds. This brings the jewelry salesman robberies in Chicago this year to two millions. Moser had just left the Congress Hotel with a friend to go in an automobile to the station. A machine containing four bandits drove alongside. Scores of machines carrying theatre crowds honked along Michigan boulevard as three robbers boarded the Moser machine, drove it to a little frequented street, and there frisked Moser of wallets containing the stones. Police attracted by the two men's cries, found no trace of the robbers.

WANT ARMISTICE DAY A COMMUNITY AFFAIR

The soldiers who fought the war should not be expected to handle the armistice day celebration each year. On the contrary the observance of armistice day should be a general community affair staged by an organization representing all the people, such as the Commercial association. This was the idea expressed by members of the American Legion at the Rotary luncheon today and the sentiment was endorsed by the club through a vote that an appropriate celebration be held under the direction of the Commercial association. President Scharpf has called a meeting of the managing board for Monday to take up the matter. I. G. Frazer acted as chairman at the meeting today. There was no set program and the discussion centered around the armistice day celebration and the south road trip to Burns which was explained by George Hartman, executive committee man from Pendleton in the highway association formed at Pilot Rock October 10. The members of the local party will leave tomorrow morning for Grant county with Burns as the final object. A delegation will also go from Pilot Rock and at Ukiah road enthusiasts from the south end of the county will join the caravan. Meetings are to be held in Long Creek, Canyon City and Burns. Members of the club today sang a new Pendleton song composed by Howard Pratt of Whitman College. The words sing to the tune of "Tammara" are as follows: A new song (Tune "Ham and Eggs") Pendleton-Pendleton It's a real live Western Town The pride of Eastern Oregon Pendleton-Pendleton Hope "Em-Ride 'em—Let 'Er Buck Pendleton. (HOWARD PRATT)

ALASKA GOLD OUTPUT SHOWS BIG INCREASE

JUNEAU, Alaska, Oct. 19.—(A. P.)—The production of gold in interior Alaska will probably be considerably larger this season than during 1921, according to Col. J. C. Gotwald, acting president of the Alaska road commission, who recently completed a trip through the Richardson Highway and Alaska Road districts. No figures are available on this year's estimated production, but Col Gotwald based his prediction on the increased activity which he observed along the various creeks in the section of the territory through which he passed. In the Fairbanks district, there is a decided increase in placer mining, while outside interests are prospecting the creeks in that vicinity to ascertain the advisability of bringing in dredges for working the property. Col. Gotwald believes that if dredges are installed there is little doubt of their successful operation.

KEMALISTS ARE FORBID FROM CONSTANTINOPLE

CONSTANTINOPLE, Oct. 18.—(A. P.)—The allied officials unanimously decided today to forbid the Kemalists' demerit destined for Thrace to enter Constantinople. The British navy has been ordered to stop all vessels bearing Turkish national police. Exuberant Turks here were keenly disappointed as they prepared on a vast scale to welcome the Kemalists.
