Bond List
Irregular
 NEW YORK, Oct. 21.—Conflicting price movements again took place in today's bond market, foreign issues generally exhibiting a reactionary trend while domestic issues were included to improve.
 Liberty 3 1/2's, which registered a sensational advance yesterday by touching 102.02, fell back to 100.84 today, a net loss of \$1.18. Other United States government securities were either unchanged or registered moderate gains.
 Mixed changes occurred in the railroad group with the main trend upward. The advance was led by Baltimore & Ohio gold 4's and Pennsylvania consolidated 4 1/2's each up 1 1/2 points. Gains of 1 to 1 1/2 were made by Chicago & Eastern Illinois 4 1/2's, Kansas City Southern refunding 5's, Baltimore & Ohio refunding 5's and Erie convertible 4 1/2's, series B.
 Some of the weak spots were Chicago & Erie first 5's, new Orleans, Tex-

as & Mexico 5's, Wabash first 5's, St. Paul general 4's, Atchafalpa adjustment 4's stamped, Frisco adjustment 5's and Northern & Western convertible 5's, all down a point or more.
 Union Bag & Paper 5's improved a point, as did Cerro de Pasco 8's and United Drug 8's. The three Brooklyn Rapid Transit issues strengthened 1 to 1 1/2 points, but New York Railway 4's certificates were reactionary, as were Interborough Metropolitan 4 1/2's and Pacific Telephone 5's.
 Total sales, par value, were \$20,925,000.
 The only important offering today, an issue of \$5,500,000 first and refunding mortgage 6 per cent gold bonds of the Missouri Pacific Railroad company, sold to the public at par, was oversubscribed.
