EAST OREGONIAN

SATURDAY, JANUARY 3, 2015

ARIES (March 21-April 19). Boredom is a threat to relationships. Being in a relationship with someone who shares your sense of humor will prevent you from having to constantly entertain and excite the other person (which is a lot of pressure).

TAURUS (April 20-May 20). The second best thing that could happen is that you could get what you want. The first best is that you won't. Neither would be disastrous, but the not getting what you want will yield more obvious benefits.

GEMINI (May 21-June 21). You're a social genius. You won't say too much or too little, you'll stand for what you believe without pushing it on others, and you'll spend just the right amount of time with each person.

CANCER (June 22-July 22). They'll respect your requests and honor your wishes. It's not just because you said "please"; it's also because you've been racking up the good karma and friendship points, and it's time to pony up.

LEO (July 23-Aug. 22). Others see abilities in you that you don't readily recognize. Listen up because this is more than flattery -- it's honest insight that you would do well to act on in the weeks to come.

VIRGO (Aug. 23-Sept. 22). If you were going to plan a rebellion, what or whom would you rebel against? For most people, the enemy who most requires conquering is within. Revolt against whatever belief has been getting you down or holding you back.

LIBRA (Sept. 23-Oct. 23). When you give your word, you believe this to be a sacred pact and will go to great lengths to keep it. That's why you don't give your word so easily. Someone will ask you for it today.

SCORPIO (Oct. 24-Nov. 21). Everyone likes to be right, but most people are annoyed by the person who actually turns out to be right -- some will even find it unforgivable. It's another reason to think twice before you weigh in with an opinion.

SAGITTARIUS (Nov. 22-Dec. 21). Your true friends are the ones you put up with even when there is no obvious reason for doing so. They may misbehave today, and you won't regret extending a free pass of some sort.

CAPRICORN (Dec. 22-Jan. 19). An idea that used to be a regular guest in the chambers of your mind will come back to haunt you. It may be that there is a new application for this idea, or that it now represents a plausible option.

AQUARIUS (Jan. 20-Feb. 18). Your fellow Aquarius Jules Renard summed it up best: "The truly free man is the one who can turn down an invitation to dinner without giving an excuse."

PISCES (Feb. 19-March 20). Friends would love you to disclose the scintillating details of recent goings on. Just because they want to know doesn't make it their business. You'll be better off

TODAY'S BIRTHDAY (Jan. 3). Love fills you with purpose this year. You put people's feelings first, and suddenly meaningless tasks fall away from your list. You're focused on only what matters: creating better and better relationships. February increases your bank account. April is your chance at a top position. June brings a family addition. Cancer and Virgo people adore you. Your lucky numbers are: 44, 31, 2, 39 and 15.
