HOROSCOPES

—By Holiday—

THURSDAY, JANUARY 8, 2015

ARIES (March 21-April 19). You will have greater than normal powers of discipline, but don't make yourself forgo the things you want and need. Go easy on yourself! Before you deprive yourself, decide what to use as a replacement.

TAURUS (April 20-May 20). You'll be tempted to say too much. When in doubt, hold back. You'll be admired for your discretion. Your action will say enough and bring results where words failed.

GEMINI (May 21-June 21). You have extraordinary powers of perception. You believe there is more going on than your eye can detect, and by the end of the day, a mystical experience will prove your theory.

CANCER (June 22-July 22). Before you get busy, consider the possibility of doing absolutely nothing. Stillness can be deceptively productive. It is possible that you'll attract all you need through stillness.

LEO (July 23-Aug. 22). You make better choices when a certain someone is there to encourage and support you. The love in your heart warms you from head to toe like hot chicken broth on a cold day.

VIRGO (Aug. 23-Sept. 22). You'll be asked to make a sacrifice in the name of love. It's probably a small concession, but it will set the tone for the future, so go carefully into this.

LIBRA (Sept. 23-Oct. 23). Think about all you've overcome. Things that used to bother you don't anymore. What used to scare you has no emotional charge to it whatsoever. Love has made you immune in some way.

SCORPIO (Oct. 24-Nov. 21). Don't waste your time dwelling on past mistakes. If you disappointed yourself, chalk it up to experience. You probably did the best you could under the circumstances, and next time you'll do better.

SAGITTARIUS (Nov. 22-Dec. 21). When you have a feeling that the world is about to contradict your best expectations and validate your worst one instead, it's time to get rid of those expectations altogether.

CAPRICORN (Dec. 22-Jan. 19). You are self-sacrificing, but only for those few special people who have your heart. There is nothing you won't do to make them smile, and when they are happy, you are happy.

AQUARIUS (Jan. 20-Feb. 18). Avoid those who seem unapproachable or standoffish. It's not your job to warm everyone up today, and your time will be better spent on the genuinely nice people.

PISCES (Feb. 19-March 20). You'll determine which sacrifices were worthwhile and which ones not to make again. Tonight, you really don't need anything from your romantic counterpart, and that is what makes the situation so appealing for both parties.

TODAY'S BIRTHDAY (Jan. 8). Your humor lights up the world for someone special this month. You produce a sensational piece of work in February. Invest your earnings in getting more certifications or training. Your personal life sparkles with new friendships in June. Family business will benefit all in July. Sagittarius and Gemini people adore you. Your lucky numbers are: 24, 4, 29, 48 and 33.
