HOROSCOPES

By Holiday

SATURDAY, JANUARY 10, 2015

ARIES (March 21-April 19). The good conversational habits you've developed through the years will help you now. This is why people like you and have such an easy feeling about hanging out with you.

TAURUS (April 20-May 20). Huge projects have simple begin-
nings. You will find everything you need as you go, including the
people who can help you find your way. So don't worry if you feel
you are starting from nothing.

GEMINI (May 21-June 21). Love is letting people be who they
want to be instead of demanding that they be someone who sat-
isfies you. You feel the most love for the person who seems to
appreciate you just as you are.

CANCER (June 22-July 22). Your self-judgment is too harsh. Don't
expect yourself to be exactly the person you want to be. The way
you are is imperfectly perfect. Embrace your contradictions, and
other people will, too.

LEO (July 23-Aug. 22). There are complainers everywhere. The
effective people don't waste time talking about what's not going
right. They are too busy doing something to improve conditions.

VIRGO (Aug. 23-Sept. 22). Social awkwardness is a blessing in
disguise. If you aren't easily fitting in, create your own niche. What
does the group need that you would like to provide? Give it some
thought.

LIBRA (Sept. 23-Oct. 23). Diversity makes life interesting, and
you're not the least bit threatened by people who are very different
from you. It will be refreshing to learn the intricacies of another
person's lifestyle.

SCORPIO (Oct. 24-Nov. 21). Music will make life more enjoyable,
but only if it's the music of your choosing. Listening to another per-
son's choices will be irritating. Take control of your soundscape.

SAGITTARIUS (Nov. 22-Dec. 21). Any change, even a positive
one, brings uncertainty with it. You'll handle exciting developments
with spiritual poise when you allow for a period of adjustment. Go
easy.

CAPRICORN (Dec. 22-Jan. 19). The muses will be with you all
day. Use the inspiration to create something beautiful, useful,
clever or necessary. Tonight, someone's quiet suggestion to you
will have billboard-sign impact.

AQUARIUS (Jan. 20-Feb. 18). You never show up to life expect-
ing to have fun. You show up to (SET ITAL) be (END ITAL) the fun.
That's why the fun follows you wherever you go this weekend.
You'll be especially charming amidst a small group of four or five
friends.

PISCES (Feb. 19-March 20). You're at your best when you feel
secure in the relationship that matters most to you. This relation-
ship will have ups and downs, but right now it is solid -- something
to appreciate and celebrate!

TODAY'S BIRTHDAY (Jan. 10). Release the past. By this time
next year, you'll have made a complete transformation. You'll
negotiate a fantastic deal in the next seven weeks. February
brings excitement to your love life. Cheery changes to your home
happen in April. June begins a training that will go on in some form
for years. Aquarius and Virgo people adore you. Your lucky num-
bers are: 41, 23, 49, 1 and 17.
