HOROSCOPES
By Holiday
TUESDAY, JANUARY 13, 2015
ARIES (March 21-April 19). The way you become a powerful force in the world is very simple: Be yourself. Honor your joy. Get to know what makes you happy and keep doing that.
TAURUS (April 20-May 20). You're a leader, and you like to follow, too - it's how you learned effective leadership in the first place. This conundrum will show up in your life, and there will be moments when you're torn about whether to lead or fall in line.
GEMINI (May 21-June 21). Your social graces will be in top form today, and it's a good thing - this is what the world needs. You'll make it easy for people to get to know who you are and what you're about, and you'll share yourself in many ways.
CANCER (June 22-July 22). In order to speak well on a topic, you have to first understand it thoroughly. That's why you'll do so much research and listening today. You'd rather not have to correct yourself later.
LEO (July 23-Aug. 22). Your dietary needs are changing with the physical demands of your life. With each meal you eat, ask yourself how you could make it better for yourself. Probably the answer is in fresh vegetables.
VIRGO (Aug. 23-Sept. 22). There are life stressors that you can't do anything but laugh about. The key is to determine quickly which are the ones that you can't do anything about and consciously decide not to take them on.
LIBRA (Sept. 23-Oct. 23). If you think your family is complicated and weird, just ask the person next to you to tell you a story about his family. There isn't a person on the planet who doesn't have weirdness in the family.
SCORPIO (Oct. 24-Nov. 21). There's something you want to put off, but the very fact that you feel that way about it means you probably shouldn't. Handle the hard stuff early in the day just to get it over with.
SAGITTARIUS (Nov. 22-Dec. 21). You are highly influential and may be able to convince an entire crowd of people to do something. This is, of course, most efficiently accomplished with social media.
CAPRICORN (Dec. 22-Jan. 19). You don't usually consciously decide how you want people to treat you, until they happen to mistreat you. Then you understand clearly where the boundary is, and you work to reinforce that boundary for the future.
AQUARIUS (Jan. 20-Feb. 18). You'll be a great showman today with a production that is truly magnificent. You don't even want credit. The artful aspect of it is that you dazzle them and make them feel as though they had a major part in it.
PISCES (Feb. 19-March 20). Stress is among the most harmful of outside forces. Do what you can to make it easy on yourself. Reduce the tension. There are simple ways to dial down the pressure. Start by asking for help.
TODAY'S BIRTHDAY (Jan. 13). Enterprising and courageous, you will do what you set out to do. Therefore, it's important to mentally try on different outcomes to sense which would be the most advantageous fit. March will bring colorful personalities to your world. June shows a shift in your professional goals. You will lead the pack in September. Pisces and Aries people adore you. Your lucky numbers are: 30, 1, 22, 17 and 45.
