HOROSCOPES
By Holiday

WEDNESDAY, JANUARY 14, 2015

ARIES (March 21-April 19). You're allowed to make lists that you have no intention of ever executing, and it's a good exercise for today. A list can be like a playground for your mind, a mental way of trying things on for size.

TAURUS (April 20-May 20). You're still trying to break yourself of a certain habit that no longer serves you well. You'll have more success when you think of replacing the habit with a better one.

GEMINI (May 21-June 21). Before you let yourself fall for the thing that is out of reach, be sure it's worth falling for. Make sure that "unobtainable" isn't the most appealing thing about it.

CANCER (June 22-July 22). Hold on, because today's atmosphere may turn wild, hectic and unsupportive. It's why you need to give yourself a good breakfast and leave plenty of time for getting from place to place.

LEO (July 23-Aug. 22). No one can be exactly like you, though a few will try! Take it as a compliment. You're the big sibling of the zodiac now, and the others are learning from the way you manage things.

VIRGO (Aug. 23-Sept. 22). The ones who try to eliminate the competition through negative press are clearly insecure about what they have to offer. The only legitimate way to eliminate the competition is to do it better, faster or cheaper. Maybe all three!

LIBRA (Sept. 23-Oct. 23). Today features high stakes and intense competition. Keep in mind that an obliging attitude will gain you more respect than any fine trapping you could drive around in or throw on your back.

SCORPIO (Oct. 24-Nov. 21). You give smiles, help and many other things besides money. It just doesn't quite feel right to hand over cash. Tighten those purse strings. Hold back until you're sure where your money will do the most good.

SAGITTARIUS (Nov. 22-Dec. 21). Change is natural, but it's not always easy. In order to become who you want to be, you have to sacrifice something about the person you are now.

CAPRICORN (Dec. 22-Jan. 19). Happiness is simple today. You put your whole self into mundane tasks like paying bills or making dinner. Consequently, your good fortune will continue.

AQUARIUS (Jan. 20-Feb. 18). Without an injection of fantasy, things could get very dull indeed. Today is for imagining something different for your life. Draw it or write about it to flesh out the delightful details.

PISCES (Feb. 19-March 20). The social basics will apply: no whispering or telling secrets about others. If everyone would keep these rules, the world would be a much happier place.

TODAY'S BIRTHDAY (Jan. 14). What makes this year's story so great is that whatever comes, love and perseverance will win out in the end. The next six weeks bring a lucky break. Just don't try to grow too quickly, and save your money. March is a happy song for your love life, and many people will be happy to share your joy. Aries and Gemini people adore you. Your lucky numbers are: 5, 23, 4, 11 and 14.
