HOROSCOPES

— By Holiday —

FRIDAY, JANUARY 16, 2015

ARIES (March 21-April 19). You'll be giving a few directives. It's better to tell people what to do, and not how to do it. Everyone has a unique method, and you'll learn by watching what they come up with.

TAURUS (April 20-May 20). It's actually good that people mostly disagree today. If they understood each other too clearly, it would cause grief. The communication of civility mostly lies in body language.

GEMINI (May 21-June 21). You crave an aesthetic experience, and yet you also want it to fit into your life in a logical, useful way. This is a lot to demand of your environment, but you'll find what you seek.

CANCER (June 22-July 22). When you largely act out of intuition, your decisions sometimes won't make sense to other people. Their puzzled faces will pepper your experience, but pay no attention to that. Your intuition could save the day.

LEO (July 23-Aug. 22). If there is a great deal of petty quarreling, it's a good indication that the job at hand isn't big enough. Big challenges have a way of centering people and getting them to focus calmly on what they can do to make things better.

VIRGO (Aug. 23-Sept. 22). When you walk around and look at the world, you make connections with people everywhere you go. Even if it's just noticing a person, it's a connection. The quality of minor connections will mean more to you today.

LIBRA (Sept. 23-Oct. 23). The rule today is that if you can say it in fewer words, do. People will lose interest very quickly, especially if your focus is on something they have a hard time relating to.

SCORPIO (Oct. 24-Nov. 21). Your reluctance to make new associations has to do with the hurt of a past experience and a vibe you are getting about a certain person. You can't put it into words yet, but it's real, so don't disregard the feeling.

SAGITTARIUS (Nov. 22-Dec. 21). You may accidentally attract people who will take advantage of your compassionate nature. Take a step back. Your gifts are valuable, and you shouldn't give them to someone who discounts that value right off the bat.

CAPRICORN (Dec. 22-Jan. 19). By nature, you are an executive and a manager, even though your life doesn't always reflect that part of your talent. Today brings a bit of chaos you'll enjoy sorting out for someone.

AQUARIUS (Jan. 20-Feb. 18). Telephone addiction will cause people to lose opportunities. You'll be lucky when you're the one looking up and connecting. It's really not necessary to pick up every call.

PISCES (Feb. 19-March 20). The main issues have to do with control. There's a line to walk. If you too often dominate, it's repellent. But if you never take over, it's even more repellent. Stay in the moment.

TODAY'S BIRTHDAY (Jan. 16). You're teetering on the edge of adventure going into this new year. Not knowing what's next adds to stress. Make a plan in February, and whether or not things follow, you'll feel terrific. March will feature new friends and responsibilities. You'll prove your strength. A July wedding will be significant. Scorpio and Cancer people adore you. Your lucky numbers are: 19, 4, 12, 13 and 28.
