HOROSCOPES By Holiday

FRIDAY, JANUARY 23, 2015

ARIES (March 21-April 19). Your past will inform your future, if you care to look at it very carefully. This day is a fast rush, so that kind of review may seem impossible, but knowing you, you'll find the time for a moment of reflection.

TAURUS (April 20-May 20). The more you give the more you want to give; it feels so good. Your generosity will make a difference for those who need it, and it will make an impression on those who could stand to give more.

GEMINI (May 21-June 21). You'll meet someone who knows about the subject you are extremely interested in of late. If your ques-tions are met with resistance, assure your subject that your inter-est is impersonal.

CANCER (June 22-July 22). Do you dare head out on a quest? The distances you travel may not be physical miles, but you will arrive at a new place anyhow. You will be a friend to many fellow travelers, though some relationships will emerge as special.

LEO (July 23-Aug. 22). Honor tradition. The simple act of sitting down to a meal with loved ones will be grounding. The regular things about life get you grounded for what promises to be an action-packed weekend.

VIRGO (Aug. 23-Sept. 22). Your nearest will appreciate what you do, because they see how much effort it takes, though they don't understand the intricacy of it. Next in line are those with similar skills. They really get it. Keep them close now.

LIBRA (Sept. 23-Oct. 23). You'll compare yourself, to the extent that it helps you maintain a competitive edge. Also, you'll be funny when it counts, and that's part of your appeal to your many fol-lowers.

SCORPIO (Oct. 24-Nov. 21). You have so much work to do and no clue how you're going to accomplish it all. Other people -- that's the answer. And when you're giving instructions, you'll be simulta-neously assertive and laid-back. Amazing!

SAGITTARIUS (Nov. 22-Dec. 21). They like the results, yet they still may have a criticism. That is unacceptable. Let your people know that they can't have the effort without the person who is doing the work. Don't let them disrespect you.

CAPRICORN (Dec. 22-Jan. 19). There's a physical chasm to be crossed with human ability. Take the chance. The more difficult the risk the more winning power you'll put into the leap.

AQUARIUS (Jan. 20-Feb. 18). Segal's law suggests that a man with one watch knows what time it is and that a man with two watches is never sure. This is a time to limit your knowledge sources.

PISCES (Feb. 19-March 20). People will say the wrong thing from time to time. Be patient with someone who is socially awkward. And if that someone happens to be you, then afford yourself a measure of grace.

TODAY'S BIRTHDAY (Jan. 23). You love your work and look forward to the interactions of each relationship. This makes for a motivated, happy, optimal state of being. There's a financial bonus in February. March comes with travel opportunities. May brings a switch of the career direction, and you'll be ready for it. Give your heart in July. Aries and Cancer adore you. Your lucky numbers are: 15, 6, 33, 41 and 28.
