SATURDAY, JANUARY 24, 2015

ARIES (March 21-April 19). The person you love has opinions you don't necessarily agree with. That is fine with everyone; the ten-sion makes for interesting conversation, and you are quick on the respond.

TAURUS (April 20-May 20). Here is the bubble of happiness that surrounds you today; it's as if you are traveling the world with your heart completely open yet no one can hurt you.

GEMINI (May 21-June 21). Wherever you are, you're there for a reason. There's something to learn, something to gain, something to absorb about the circumstances. Stay open.

CANCER (June 22-July 22). When you set an example, you do so by words and deed. You do so by your very essence. Be peace. If you can be peace, you'll be the softest for anyone you love to land.

LEO (July 23-Aug. 22). You will handle your responsibility with confidence. You've had plenty of practice, after all. You'll be well-rewarded for this, as long as you stop the bad habit of worrying over things that are not in your control.

VIRGO (Aug. 23-Sept. 22). You can't help the feeling that you deserve more -- love, respect, tenderness and attention. You'll make subtle changes in your behavior to attract just the right kind of treatment.

LIBRA (Sept. 23-Oct. 23). Activities in several different areas of life will make you well-rounded and, actually, happy. Stray from that to-do list and you'll have something impressive to add to your "la-da!" list.

SCORPIO (Oct. 24-Nov. 21). Avoid talks. Avoid meetings. Most of what happens will happen because of someone's sense of pur-pose. If someone asks, "Can we talk?" it usually points to a lack of purpose.

SAGITTARIUS (Nov. 22-Dec. 21). Find the strength in tenderness and the tenderness in strength. Seek resolution to a problem you are having with a female in your life. The way to healing is through surrender.

CAPRICORN (Dec. 22-Jan. 19). Pay attention to the tone of voice you are using when you speak to yourself. In the afternoon, you will spend money to make money, and then you'll spend it again tonight on fun and entertainment -- a worthy cost.

AQUARIUS (Jan. 20-Feb. 18). Life comes to you with new vivid-ness. You will remember the details that escaped you. Bonus: Optimism might not come easily, but your willingness to practice positive thinking will pay off.

PISCES (Feb. 19-March 20). Half-completed or unclear commit-ments should be cleared up now. This is probably a "doing" mat-ter, as opposed to a "talking" matter. Training, discipline and repe-tition are favored.

TODAY'S BIRTHDAY (Jan. 24). In this logical year, there will be neither rewards nor punishments, merely consequences. You'll love what comes from your forthright and loving actions. A profes-sional development opens up financial opportunity in March. Dive in and do the hard work in June. Money when you follow through with June's action plan. Pisces and Taurus adore you. Your lucky numbers are: 4, 25, 22, 2, 17 and 33.
