HOROSCOPES

—By Holiday—

FRIDAY, JANUARY 30, 2015

ARIES (March 21-April 19). You got to know a very pleasant person, only to later meet an extremely unpleasant person in the same being. This is the polarity of human nature. Right now, it's more useful to recognize it in yourself than it is to recognize it in others.

TAURUS (April 20-May 20). One rule is that if you can lose it in a shipwreck, it was never really yours to begin with. Yet there are possessions in your care that you strongly identify with, and you'll spend hours maintaining and enjoying them today.

GEMINI (May 21-June 21). Feelings are not wrong or right; however, some resonate a lower vibration than others. The higher your vibration is the lighter and more joyful you will be. Choose thoughts that make you feel better.

CANCER (June 22-July 22). Many people aren't ready for criticism, and when they ask for it, what they really want is encouragement. Encouragement helps them feel seen and understood, as well as giving them the motivation to go forward.

LEO (July 23-Aug. 22). The pleasure of reading awaits you. Actual paper will be best, as that will be the most expressive medium for your soul. Besides, your eyes need a break from the glowing screens.

VIRGO (Aug. 23-Sept. 22). There are endless supplies of facts available to anyone on the Internet or in the library. Do not confuse information with education. Educate yourself by learning how to apply knowledge.

LIBRA (Sept. 23-Oct. 23). Misery is when you can't leave the party because you don't have a vehicle or when you can't leave the conversation because you can't find an out. Happiness is having your own (emotional and physical) transportation.

SCORPIO (Oct. 24-Nov. 21). The difference between the things you keep and the things you throw away has to do with what you identify with and find useful in the moment of choice. Just be aware that a different moment may bring a different feeling.

SAGITTARIUS (Nov. 22-Dec. 21). Don't try to have the perfect conversation. It won't happen, because it doesn't exist. But for the most part, even a boring conversation is better than no conversation; it's that important to connect now.

CAPRICORN (Dec. 22-Jan. 19). Before you take out that credit card, remind yourself that "enough" is not always "more." In fact, often "enough" is found when you get rid of the excess that's causing you to miss the treasures in your possession.

AQUARIUS (Jan. 20-Feb. 18). A loved one is trying to finish personal business and not so attentive to you as you would like. In fact, this person may be downright thoughtless or rude, but it's worth excusing for now.

PISCES (Feb. 19-March 20). High expectations are the enemy of action. What if you lowered your aim by half? Halve it again; what does that look like? The point is to have such a small mental hurdle that you can baby step over it.

TODAY'S BIRTHDAY (Jan. 30). The events of the next seven weeks help you realize what a wonderful life you have. You'll conspire with loved ones in March to improve your domestic environment. April boosts your reputation. A major deal is finalized in June. Create mischief with a fascinating someone in July. Libra and Cancer adore you. Your lucky numbers are: 18, 3, 11, 27 and 45.
