HOROSCOPES

—By Holiday—

THURSDAY, FEBRUARY 5, 2015

ARIES (March 21-April 19). There's power in saying less. The more you know the less you need to show. And if you don't know, it's perfectly acceptable to admit that, step back and learn. Your wisdom will prevail.

TAURUS (April 20-May 20). You want to take the happy-go-lucky approach, but something is stopping you from the experience – a feeling or perhaps a memory that warns you not to let go completely.

GEMINI (May 21-June 21). You desire to use your idle time more productively. This will take planning. Perhaps a thick novel or an online course will change your life during what might otherwise have been television-watching hours.

CANCER (June 22-July 22). Negative self-talk is nothing but a bad habit that you can change. The first thing to do is to stop identifying that voice as the real you. It's just an opinion of the moment, and you can choose a different one any time you'd like to.

LEO (July 23-Aug. 22). A professional development opens up a financial opportunity. Dive in and do the hard work. As you focus on your career, you give a relationship the breathing room it needs to grow.

VIRGO (Aug. 23-Sept. 22). You will be a serendipitous mentor for someone, delivering just the right message to lift that person to a new level of understanding. Even so, don't try too hard. Just say what you see as the truth, and you'll cause change.

LIBRA (Sept. 23-Oct. 23). The daily task of growing your virtues and minimizing your vices does get old. Perhaps even goodness should be pursued in moderation. If you don't indulge your shadow side, at least have one dance with it.

SCORPIO (Oct. 24-Nov. 21). The way to be noticed by that person you admire is to attach yourself to his or her top priorities and help make this accomplishment happen. Your admired someone will notice your value and in turn want to help you.

SAGITTARIUS (Nov. 22-Dec. 21). The more connections you have the more leverage you have. It's a day for growing your network (either face-to-face or virtually) by doing more of what you're good at and telling people about it.

CAPRICORN (Dec. 22-Jan. 19). As you focus on one line of action, another that's occurring simultaneously is building. There will be a point in the near future when these stories converge to fantastic effect.

AQUARIUS (Jan. 20-Feb. 18). The idea that will help you make a leap in lifestyle is not a big one. Rather, it's a small change of attitude that will ripple out to create many changes at once.

PISCES (Feb. 19-March 20). You don't have to spend many hours with people to cast your spell. Often, just a few minutes is enough to gain a fan. Many will be drawn to your self-confidence, social style and special energy.

TODAY'S BIRTHDAY (Feb. 5). Celebrate big this year – you changed history just by being born. Sentence yourself to several hours (if not days) of "you time" this month – a smart way to replenish your mojo. There's a lucky break the second week of March. Impatience sets in in April, and you'll play the squeaky wheel that gets greased. Capricorn and Pisces people adore you. Your lucky numbers are: 4, 44, 28, 11 and 5.
