## HOROSCOPES

By Holiday  
SATURDAY, FEBRUARY 14, 2015

**ARIES** (March 21-April 19). Thinking that you are supposed to know something will keep you asking the questions that will lead you to really know it. Therefore, be fine with not knowing and boldly express your curiosity.

**TAURUS** (April 20-May 20). If you focus too small, you'll miss the point, and if you focus too wide, you'll skip essential details. Find a balance. Tonight, you'll have the pleasure of spending time with someone who makes you feel important.

**GEMINI** (May 21-June 21). Retail statistics indicate that more people than ever will be giving a Valentine to a pet. Today your love encompasses people, animals and beyond to a general appreciation for the things that make your life run smoothly.

**CANCER** (June 22-July 22). You won't solve the problem in one day, but you'll at least find a temporary remedy that allows you to be productive while you work at fixing the issue. Tonight highlights your culinary talents.

**LEO** (July 23-Aug. 22). Whether you are single or in a relationship, you're in the mood to give generously to the people around you and show them that they make your life sweeter just by being in it.

**VIRGO** (Aug. 23-Sept. 22). In Finland, Valentine's Day is more about celebrating friendship than romantic love. You might feel inclined to celebrate similarly, as the importance of friendship will be well illustrated in your day.

**LIBRA** (Sept. 23-Oct. 23). Your imagination is a zany, beautiful place! Love fills your dreams in unexpected ways. Well, you can't control everything that runs through your head, but you don't have to identify with all of it, either.

**SCORPIO** (Oct. 24-Nov. 21). This is a special day, but don't worry -- you'll have many special days and lots of chances to get things right. Let this free you to experiment. Your love is unique and should be uniquely expressed.

**SAGITTARIUS** (Nov. 22-Dec. 21). Others think you are courageous for speaking so honestly, though for you it comes much more easily than trying to say what you think other people want to hear. Your candor will get people communicating on deeper levels.

**CAPRICORN** (Dec. 22-Jan. 19). Long ago, physicians prescribed chocolate for lovesickness, and the remedy still seems to fit. It also works for celebrating love and will be one of 10 ways you'll celebrate love today.

**AQUARIUS** (Jan. 20-Feb. 18). You are all too aware that every rose has its thorn, though the fancier florists sometimes remove them for a painless presentation. You'll do the emotional equivalent for someone you love today.

**PISCES** (Feb. 19-March 20). Maybe there's no such thing as a one-and-only soul mate. However, there are moments that feel so right with another person that you can't be sure. Revel in those!

**TODAY'S BIRTHDAY** (Feb. 14). There is not another person on the planet who can fulfill your purpose, and this is your year to revel in your unique position. The next six weeks bring a well-deserved prize. March introduces singles to new love and couples to a deeper understanding. Changes to your environment lead to new hobbies in May. Cancer and Gemini people adore you. Your lucky numbers are: 8, 27, 19, 45 and 30.
