

Proudly Serving Eastern Oregon, Washington & Idaho For 35 Years

Blue Mountain Pathology, Inc.

We are a local laboratory serving local patient needs.

Established 1980

Left To Right: Tanya Selman, Tisha Horton, April Dixon, Carol McBride, Megan Claughton

Back: Charlene White, Ramona Culp
Front: Annette Easley, Shelby House, Nicole Turner

Blue Mountain Pathology offers a full service anatomic pathology laboratory with nationally certified histology and cytology departments including:

- **Immunohistochemistry Testing** - Services previously sent for outside consultation are now being performed locally resulting in better turnaround time.
- **SurePath™ Liquid-Based Pap Testing** - providing the highest detection rate for cervical abnormalities on the market today.
- **Focal Point Guided System Slide Profiler** - an FDA approved instrument which pre-screens pap smears prior to our manual review process. This technique improves performance in routine pap smear screening by providing an additional level of confidence for women.

"Committed to Quality, Delivering Excellence."

Physicians - Pathologists:
Lawrence J. Adams, M.D.,
Deepshikha Datta, M.D.,
George R. Wettach, M.D. and
Anirudha Halder, M.D.
