HOROSCOPES

By Holiday

SATURDAY, MARCH 28, 2015

ARIES (March 21-April 19). Believe your gut reaction -- the one you had before you got the chance to intellectually process things. It was the first response you had, and it came with a physical sensation. It was correct.

TAURUS (April 20-May 20). If you stay too long among those whose sensibilities are not well matched with your own, you'll start to feel lonely. What good is having a sense of humor if you're the only one who gets it? Seek communion with the likeminded.

GEMINI (May 21-June 21). Your intuition will most likely communicate in whispers. What you need most is to direct your excellent listening skills inward. This effort will be rewarded with a delightful discovery.

CANCER (June 22-July 22). As you meet new people, keep in mind that the beginning stages of a relationship will set the tone for the rest of it. What is the first impression you'd like to make?

LEO (July 23-Aug. 22). A true love is a constant companion regardless of physical vicinity. Your heart feels this person's presence. Your affection makes you accountable, even at a distance.

VIRGO (Aug. 23-Sept. 22). Beauty, by its very nature, is a temporary state. Appreciate it, and capture the memory of it in any way you can, but don't spoil it by trying to make it last forever.

LIBRA (Sept. 23-Oct. 23). If you celebrate often, there will often be things to celebrate! That's why it would be a shame to let today's achievement (especially if it's yours) go without commemoration.

SCORPIO (Oct. 24-Nov. 21). How are you going to make more money in less time? The answer will have less to do with being efficient than with choosing projects that make you lose track of time altogether.

SAGITTARIUS (Nov. 22-Dec. 21). There's safety and strength in numbers. If anyone can get the whole group to agree, you can. And there will be extra points if you get them to agree and act as one united front.

CAPRICORN (Dec. 22-Jan. 19). Life isn't always about finding that one thing you want to do and doing it like crazy. Sometimes life is about exploring options. Sometimes life is about making the most of your in-between time while you wait. Be patient.

AQUARIUS (Jan. 20-Feb. 18). Lack of sleep can be blamed for bad moods and attitudes, as well as poor choices, illness and more. Catch up. Get all you need. It will make the res

PISCES (Feb. 19-March 20). Liking the idea of something and being committed to it are two different things. You may be wise to take your time with an idea, because once you commit, you won't be satisfied until you see it through.

TODAY'S BIRTHDAY (March 28). The highs and lows will even out during this hugely productive cycle. Improvements in daily life allow you to focus on an interest. You'll meet mentors and money-makers in April. In May, your unorthodox methods get the right kind of attention. You'll make a difference and be credited as a life changer in July. Gemini and Virgo people adore you. Your lucky numbers are: 2, 45, 16, 31 and 27.
