HOROSCOPES By Holiday

- FRIDAY, APRIL 3, 2015 ARIES (March 21-April 19). Everyone is fallible. Because you've placed your mentors, idols and leaders in high esteem, they have farther to fall when they fall from grace. Can you revere them without the pedestal? TAURUS (April 20-May 20). Stop sacrificing to your own detriment, and make your needs a higher priority (even if those needs happen to be for seemingly frivolous things like glamour, thrills and general fun). GEMINI (May 21-June 21). High culture may not be on your agenda. If you find yourself in the same old haunts instead of traveling, seeing elaborately designed shows or visiting the museum, at least look up. The sky is a masterpiece. CANCER (June 22-July 22). You know what stresses you out. Anticipate potential anxiety-triggering situations, and make a plan as to how you'll either avoid them or, if they are unavoidable, deal with them as quickly as possible. LEO (July 23-Aug. 22). Opening your mind is a lot harder than opening your mouth, but like anything, if you do it enough, it gets easy. It already has for you, which is why today you'll delight in fewer words and more influences. VIRGO (Aug. 23-Sept. 22). Meeting the right person at the wrong time is a condition that, in some, inspires longing, fantasizing, poetry... In others it inspires planning. How could you appropriately plan and play together during these times? LIBRA (Sept. 23-Oct. 23). In your mind, elegance and functionality go together. You have no interest in pretty things that don't do anything useful. Guided by these convictions, you'll improve your environment. SCORPIO (Oct. 24-Nov. 21). Once again, you'll be drawn to the mysterious and clandestine. When the situation is new to you, and you are new to it, you can be whoever you want to be. You might enjoy cultivating an alter ego. SAGITTARIUS (Nov. 22-Dec. 21). You are your own team captain. You won't be blindly led or bossed around. You will defer to the judgment of your teachers as a sign of respect when you know that the respect goes both ways. CAPRICORN (Dec. 22-Jan. 19). You know that odd feeling you've had about a certain someone? Now you'll finally get the evidence to confirm your suspicions. This is validation for the ol' instincts! AQUARIUS (Jan. 20-Feb. 18). Relationships thrive with the right amount of together time. You don't want your absence to mean more than your presence, and that's why you show up when it counts and take a break when it counts, too. PISCES (Feb. 19-March 20). The difficult road might lead to a beautiful and private destination, or it might lead to more difficulty. The road signs will point you down a well-worn path to a beautiful though very public place. TODAY'S BIRTHDAY (April 3). Relationships are heavenly through the next seven weeks, and then there will be work to do in adjusting to changes that come rapid-fire at the end of May. With a can-do spirit, you'll make the improbable happen for your family in June. You'll get inspired to arrange yourself and your world to new standards of beauty in July. Leo and Sagittarius people adore you. Your lucky numbers are: 28, 1, 23, 39 and 50.
