HOROSCOPES
By Holiday

FRIDAY, APRIL 17, 2015

ARIES (March 21-April 19). No one is up and on all the time. Mojo comes and goes. Promise yourself that you'll stick with and believe in yourself through thick and thin. You would do it for any one of your friends.

TAURUS (April 20-May 20). If you could take the pain away from another, you would, but growing is something no one can do for someone else. Perhaps that's what makes it so difficult to watch. It's almost harder to watch than it is to go through!

GEMINI (May 21-June 21). Refuse to succumb to worry. Sing instead of stress; joke instead of getting impatient. Instead of doing something rash, do nothing at all, and problems will absolutely solve themselves.

CANCER (June 22-July 22). Some of your best creations, relationships and opportunities have happened by way of accidental magic, and it's going to happen again in the next three days.

LEO (July 23-Aug. 22). One of your talents is dealing with other people's hot tempers, anxiousness and irritation. You have a way of acknowledging the reality of other people's feelings and thereby deescalating the situation and bringing peace.

VIRGO (Aug. 23-Sept. 22). Writing things down has magic powers that can somehow go many ways. Writing things down can make them more real or easier to let go of or harder to forget. Use the magic of writing today.

LIBRA (Sept. 23-Oct. 23). If people did the right, considerate, fair and loving thing, then no one would need a governing system. The trouble is that even people in the same family can't agree on what the right, considerate, fair and loving thing is.

SCORPIO (Oct. 24-Nov. 21). If you wind up spending slightly more than you budgeted, don't feel guilt, regret or shame or in any way let the overage stress you out. The ends will find their own magical way of meeting.

SAGITTARIUS (Nov. 22-Dec. 21). Cheerfulness is an often undervalued value, though if anyone can turn that around, you can. Your joyful, caring ways will energize all you touch. You never know when you can change someone's life with a smile.

CAPRICORN (Dec. 22-Jan. 19). Fashion sometimes seems silly to you. Why should a perfectly lovely look go in one year and out the other? Well, you don't have to worry about keeping up -- your classic tastes never go out of style.

AQUARIUS (Jan. 20-Feb. 18). You're going to solve the problem going on between two people you love or at least shrink it. Try not to form an opinion before or while you hear both sides.

PISCES (Feb. 19-March 20). What was in favor one day goes out the next. Does that mean it was never true to begin with? You can't help what's trendy. You can only decide whether or not it's for you.

TODAY'S BIRTHDAY (April 17). You push yourself this year, and it's by exploring your fears that you'll learn your courage. A rather arbitrary action in May leads to remarkable luck. It won't always be easy to keep your commitments in relationships, but the sheer joy and beauty you experience this summer will make you glad you did. Taurus and Leo people adore you. Your lucky numbers are: 40, 2, 25, 21 and 16.
