HOROSCOPES

By Holiday

TUESDAY, APRIL 21, 2015

ARIES (March 21-April 19). The ones who respect you will try to put you in a position to make decisions for them. Taking this on is optional. Be careful. Power is like dessert. Once you get a taste of it, you want more.

TAURUS (April 20-May 20). When opinions change, it can be a sign of intelligence and growth, or it can be a sign of weakness. Each scenario is unique and must be regarded as such.

GEMINI (May 21-June 21). The events of the afternoon are neither positive nor negative, but they must be handled. This will bring out the best in you. Working to bring it all back into order will make you strong.

CANCER (June 22-July 22). You're always learning, though on some wonderful occasions the learning is so enjoyable that you don't feel any growing pains. You will establish beneficial habits in the weeks to come.

LEO (July 23-Aug. 22). Things are quite naturally going your way. This is definitely not the time to ask questions. Ride the wave of happiness. Side note: It's better to be overdressed than underdressed.

VIRGO (Aug. 23-Sept. 22). The love you find today is totally unique. You will never have another experience quite like it. Consider carefully the person who keeps calling you back to his or her heart.

LIBRA (Sept. 23-Oct. 23). Perfection is not a practical aim. Doing your very best is doing enough. Tranquility around you will eventually create tranquility inside you. It may take a while. Give yourself time and space.

SCORPIO (Oct. 24-Nov. 21). You need more attention, but asking for it is not the best way. Give it to yourself first. By taking care of your own needs you put yourself in a better position to contribute gladly to those around you.

SAGITTARIUS (Nov. 22-Dec. 21). You'll get a lot of the same old questions, but you don't have to give the same tired answers. Change it up. An interesting answer to something as simple as "How are you?" will better your fortunes.

CAPRICORN (Dec. 22-Jan. 19). You'll tend to many responsibilities today, but fear not -- there's a way to make them fun. When you involve people who share your sense of humor, you can't lose.

AQUARIUS (Jan. 20-Feb. 18). Pointing out the faults of others only reminds people that everyone has them. It's why you focus on what's going right and put your energy into making a good thing better.

PISCES (Feb. 19-March 20). If you believed every compliment paid you, it would cause you to lose your edge. But don't worry. You can trust that today's accolades are well earned and still stay sharp.

TODAY'S BIRTHDAY (April 21). The weeks to come will be filled with spontaneous notions and joyful emotions as you freely follow your heart. Even so, you will strive for a disciplined and uncluttered lifestyle. Living simply makes you feel better. You'll be passionately pursued in June. Your hard work will get you promoted in August. Love signs are Libra and Leo. Your lucky numbers are: 30, 46, 27, 22 and 19.
