HOROSCOPES By Holiday

THURSDAY, APRIL 23, 2015
ARIES (March 21-April 19). Just because you hold an office doesn't mean you automatically wield all of the authority associated with that position. You have to step up and claim it. Today you will.
TAURUS (April 20-May 20). There's always more to learn, but on days like today, it's more important to stick to the schedule, muscle through and say "good enough." You don't have to be the world's greatest expert to get this job done.
GEMINI (May 21-June 21). Don't wait for permission or for someone to grant you the status you need to move forward. Claim what you want. This actually makes a lot less work for others.
CANCER (June 22-July 22). This is one of those times when it will feel far more urgent to give than to receive. You need to know you make a difference in someone else's life, and you'll give until you have proof.
LEO (July 23-Aug. 22). Right now you have so many events and items you're in charge of that you may find it challenging to get them into a system that makes sense. Spend a few hours trying anyhow. You'll find something you were missing.
VIRGO (Aug. 23-Sept. 22). The tiniest things can make you happy when you feel you have earned them. Use this principle to your advantage by supplying a small but meaningful prize for another person.
LIBRA (Sept. 23-Oct. 23). A lot of people won't even realize the truth of the situation until you point it out. You will say what everyone else is thinking and with such a light touch that they can't help but laugh.
SCORPIO (Oct. 24-Nov. 21). You can't change people, but you can inspire them to change themselves. Because you look like you're having so much fun today, you'll influence the people around you. They'll want your happiness secret.
SAGITTARIUS (Nov. 22-Dec. 21). You feel a duty to love, but you don't always love the duty. The mundane acts of selflessness, like feeding or driving another person, may not be very romantic, but they are now among the best ways to show you care.
CAPRICORN (Dec. 22-Jan. 19). Should you offer your kind service for free? Some say that people only value what they pay for. Research and experiment. What's working for other people will likely work for you.
AQUARIUS (Jan. 20-Feb. 18). Persistence will win out, but only if it's coupled with problem-solving skills. Success will require tinkering. Before you try again, figure out what went wrong the last time.
PISCES (Feb. 19-March 20). Others around you are trying to rush to the finish. There's no hurry! Take your time. You have a talent for thinking things through. What's well conceived will be well expressed.
TODAY'S BIRTHDAY (April 23). Because you surround yourself with fresh, playful influences this year, you will grow up without growing old. You'll be up against a worthy competitor at work, and this helps you achieve your best. The special times with family will make May and June sing. September and November bring financial highs. Capricorn and Scorpio people adore you. Your lucky numbers are: 5, 33, 2, 38 and 16.
