Virgo Moon Rollercoaster Ride

First, the Virgo moon forms a square to Saturn and then later makes up for the tension with an auspicious angle to the Taurus sun. As a finale, the Virgo moon challenges our hopes and dreams with an opposition to Neptune. The result is something of an emotional rollercoaster, but, as it is with most rollercoasters, the ride will be over soon enough.

ARIES (March 21-April 19). Full-grown people need full-grown love. You won't dignify childish antics with attention unless the perpetrator is actually a child. Adults acting childishly will stop when they see that their behavior doesn't sway you in the least.

Taurus (April 20-May 20). It may seem that you have to do everything on your own, but you don't. If you're not accepting help, you're working too hard. You don't even have to ask for help. All you have to do is less, and others will fill in the gaps.

GEMINI (May 21-June 21). People usually live to the limits of their thinking. Exposures to new influences will help break through those limits. One of the most enjoyable ways to change your life is to fantasize your way into a different one.

CANCER (June 22-July 22). Hollow and false encouragement will be experienced as such. One person can only encourage another insofar as they actually believe the aim can be accomplished. What do you believe is possible?

LEO (July 23-Aug. 22). When your people count their blessings, they count you as one of them. Maybe it's the way you see the potential in them and envision a better future for them than the one they see.

VIRGO (Aug. 23-Sept. 22). It's difficult not to project your patterns and desires onto those who are so much like you, but because you believe in the sacredness of each human being, you resist.

LIBRA (Sept. 23-Oct. 23). You're not sure how to deal kindly with a certain difficult individual. Start by dealing kindly with someone dear to you. "To love deeply in one direction makes us more loving in all others." -- Madame Swetchnine

SCORPIO (Oct. 24-Nov. 21). Worry is like the late afternoon sun: It gives a long shadow small things. One of your more practical friends (perhaps a Virgo or Capricorn) will help you keep things in perspective.

SAGITTARIUS (Nov. 22-Dec. 21). Balancing solitude and sociability is tricky for you now because people keep asking you to do things with them, and you keep saying yes. That's why you have to schedule solitude on the books as you would any other date.

CAPRICORN (Dec. 22-Jan. 19). It may feel like the train is moving, you're already on board and there's no getting off. But that's not the way it really is. This is your life, time and schedule. If it oppresses you, change it.

AQUARIUS (Jan. 20-Feb. 18). You have reached a level of true friendship with some that allows you to stand comfortably together in silence. That doesn't mean you should let this happen too often, though. Conversational effort will be rewarded.

PISCES (Feb. 19-March 20). Niceties are the very least of what you expect from a good relationship. You want poetry. These high hopes and optimistic wishes will keep you from landing in a rut.

TODAY'S BIRTHDAY (April 28). You have many advantages, and you play them this year. In May, you'll make money as a result of reestablishing contact with enthusiastic people. Your timing is impeccable in June, especially when it comes to love. You'll show up right when you are needed and will be appreciated and adored for it. Scorpio and Capricorn people adore you. Your lucky numbers are: 1, 14, 3, 33 and 17.
