HOROSCOPES By Holiday

WEDNESDAY, APRIL 29, 2015 ARIES (March 21-April 19). You long for them to see you in that certain way and give you the praise and back pats that prove it. They will get it eventually, but don't wait around, because it's going to be a while. TAURUS (April 20-May 20). Because you love someone, you want to fill this person's life with sweetness. You want to hear the "wow," feel the thrill and hold onto the tender moments. Now the question is: How are you going to create the next one? GEMINI (May 21-June 21). There really are no lone geniuses. Greatness is a group effort. The good, bad and ugly group dynamics will work to bring out your best, so join in and get mixed up in it today. CANCER (June 22-July 22). The brilliant Oscar Wilde once said, "The world was my oyster, but I used the wrong fork." The social swirl will include a few formalities. Stay relaxed and at ease, and you'll quickly pick up on what you're supposed to do. LEO (July 23-Aug. 22). You're forever compromising -- like the time you went to a special place with others and wound up doing what they wanted to do. Seize the chance to go back alone so you can pick up on all you weren't able to do the first time. VIRGO (Aug. 23-Sept. 22). Whether things get too boring or too exciting, your reaction is the same: Escape! Today has you taking a mental or physical journey in hopes of finding enjoyment. Keep it short, and life will be improved upon your return. LIBRA (Sept. 23-Oct. 23). Timely compliments have great power. The same words said in an untimely fashion lose 90 percent of their value. Accomplishments need to be acknowledged immediately. SCORPIO (Oct. 24-Nov. 21). Assume that everything that happens today is going to do you some good. Even spills, miscommunications, mistakes and oversights will be for the best. People are brought together in vulnerability, not strength. SAGITTARIUS (Nov. 22-Dec. 21). When people strongly identify with a certain style, it can be extremely difficult for them to connect with, accept and learn from those with a different style. You have to join 'em before you can beat 'em. CAPRICORN (Dec. 22-Jan. 19). Your need to please people is strong now, and you can use this to your advantage in your effort to reach a personal goal. Who else will be pleased when you get there? Tie other people into your plans. Build accountability. AQUARIUS (Jan. 20-Feb. 18). Someone wants what you have. The outside world sees your living example but doesn't realize the effort that went behind it. It will be your job to enlighten. PISCES (Feb. 19-March 20). In order to see what your limits really are, you have to do more. Push yourself into uncomfortable (but not painful) territory. A friend who's already been there can help. TODAY'S BIRTHDAY (April 29). By your next birthday, you'll be 10 times happier. In May, self-reflection will help you uncover your motivation and ultimately lead to finding a different and healthier way to meet your needs. Family ties are strengthened this summer, and feuds are put to rest. Luck has very little to do with your big win in July. Libra and Scorpio people adore you. Your lucky numbers are: 34, 37, 28, 19 and 5.
