HOROSCOPES

By Holiday

THURSDAY, APRIL 30, 2015

ARIES (March 21-April 19). You won't understand everyone's perspective. It's natural to gravitate toward the ones you do understand, but you'll only improve and broaden yourself by pursuing insight from the ones you don't understand.

TAURUS (April 20-May 20). You're feeling inquisitive, and you're in the mood to collect things like facts, words, books and the tangible items that intrigue you. Follow your muse without worry of the practicalities. You can work them out later!

GEMINI (May 21-June 21). You are an artist. The proof of this won't be in your work so much as in your ability to find the beauty and sense the deep significance of inconspicuous and overlooked details.

CANCER (June 22-July 22). A relationship gets interesting when you get beyond the standard exchanges and dip your toe into the murky depths. This is best accomplished with a casual air, a light heart and a lack of agenda.

LEO (July 23-Aug. 22). You may have trouble explaining things in a rational way today, but that's only because you're leading with your emotional IQ. You have a talent for picking up on subtleties of mood, vagueness and the logic of the heart.

VIRGO (Aug. 23-Sept. 22). Technicalities might hang you up, and there's an opportunity in this. Don't wish for fewer problems; get more skills. Getting better at solving one issue will help you with many more.

LIBRA (Sept. 23-Oct. 23). People suspect the one who never has a negative word to say. Complaining can be fun. Sharing gripes is one way many people connect. Alas, the guilty pleasure of complaint is also immature. Mature people do something about it.

SCORPIO (Oct. 24-Nov. 21). You're not genuinely interested in all subjects, but you still enjoy carrying on conversations about whatever comes up, because you're genuinely interested in all people.

SAGITTARIUS (Nov. 22-Dec. 21). Your changing priorities and resources will have you looking at certain goals differently. Some goals are not meant to be achieved. Let your goals evolve with your life circumstances.

CAPRICORN (Dec. 22-Jan. 19). Once upon a time, you made an agreement you didn't properly understand. If you had known, you wouldn't have agreed, and yet today things are working out just fine. Next time around, though, seek total comprehension.

AQUARIUS (Jan. 20-Feb. 18). Seize the opportunity to get in front of people to talk about what you're selling. Whether it's a product, an idea or a relationship, you will be extraordinarily persuasive in your own laid-back way.

PISCES (Feb. 19-March 20). People who show up to help you will need your leadership. Don't assume that the others know what they are doing. You can be an attentive guide without micro-managing.

TODAY'S BIRTHDAY (April 30). Your high standards and determination are why this turns out to be one of your most productive years to date. In your work, you'll be uncompromising, but in your personal relationships, you'll be flexible and sensitive, ready to make the other person happy. Adventures in August lead to commitments. Aquarius and Aries people adore you. Your lucky numbers are: 40, 15, 26, 12 and 32.
