HOROSCOPES

By Holiday

FRIDAY, MAY 1, 2015

ARIES (March 21-April 19). Everyone is different. Even twins have different likes, strengths, qualities and destinies. Your efforts to see people as they are and not as you believe or want them to be will be rewarded with a truer bond.

TAURUS (April 20-May 20). Your eyes are as wide open as your heart today. Random observations will move you in unexpected ways. With whom will you share your observations? Choose your audience carefully.

GEMINI (May 21-June 21). If you stopped believing in it, would it go away? If not, it's called reality. This litmus test might help you determine which problems are really worth taking on today.

CANCER (June 22-July 22). If you don't feel brave enough to slay the dragon today, put your armor on anyway and start walking, sword extended. Pretending to be courageous is quite often just as good as the real thing.

LEO (July 23-Aug. 22). Problems bring about inventions. If there were no problems, there would be no progress. You'll love the funny little problem that comes this afternoon, mostly because it inspires your creative solution.

VIRGO (Aug. 23-Sept. 22). Your inherent truth-detector is turned on. When someone's body language and words do not match, you'll wisely believe the body language and react accordingly.

LIBRA (Sept. 23-Oct. 23). What you think is a mess in your life, another person envies. Sharing keeps things in perspective. Tonight, take credit for what you come up with, or someone else will.

SCORPIO (Oct. 24-Nov. 21). You want to say "no," but you don't know how. Keep it brief -- that's the secret. They'll ask for an explanation, but you don't owe that. You have a right to your decisions and mysteries.

SAGITTARIUS (Nov. 22-Dec. 21). When you're not happy, the more sensitive people in your life can really feel it. The not so sensitive people feel it, too, though more subconsciously. You happy equals everyone happier.

CAPRICORN (Dec. 22-Jan. 19). Congestion isn't just a traffic situation. A Sagittarius or Pisces is the perfect friend to help you open up your mental windows and let the air through for some psychic cleansing.

AQUARIUS (Jan. 20-Feb. 18). The idea that's left on the table wasn't left there because it was bad. It was left there because no one else at the table knew what to do with it. "From a fallen tree, all make kindling." -- Spanish proverb

PISCES (Feb. 19-March 20). Take a chance tonight. If you win, great. If you lose and lose with grace, it's even better. That will spark your creativity. Inspired folly connects us to our humanity.

TODAY'S BIRTHDAY (May 1). This year will give you bragging rights. Take your camera along for the play-by-play. In the next six weeks, there will be a reunion. You'll improve some aspects of your environment either to prepare for the event or as a result of the event. Your expertise puts you in the spotlight in July. September brings a financial bonus. Gemini and Virgo people adore you. Your lucky numbers are: 1, 14, 33, 49 and 16.
