He is a solid head and heel horse that we have hauled around the last 2 years. He is really good in the box and has been jackpotted on. We have gathered cows and branded on him this spring. My kids rope and ride on him; He will work for the whole family. This is a nice gelding. He is gentle and 100% sound. He's 14.3 hands tall and real heavy made. 509-778-3467.
