ARIES (March 21-April 19). You'll find a problem, and you'll upgrade it. That's not the same as solving it, but it's fine for now. This is just a temporary fix to make your time with this problem more comfortable.

TAURUS (April 20-May 20). Great people are courteous, generous and selfless. Those posing as great people may be full of ego and pride and in need of attention. Differentiate and associate accordingly.

GEMINI (May 21-June 21). You don't need advice and reassurance to make decisions, because you have the confidence to assume responsibility for the major areas of your life.

CANCER (June 22-July 22). Try not to judge other people's relationships. And if they are so happy it makes you sick, don't be cynical. But don't be an idealist, either. Happily-ever-afters are seldom that. Sometimes they smack of poisoned apples.

LEO (July 23-Aug. 22). When the plan changes, you change, too. Going with the flow is usually the right way. Your flexibility will be appreciated -- although, don't worry, they sense that you're also pretty tough if the situation calls for it.

VIRGO (Aug. 23-Sept. 22). Your smile casts a spell. You usually use that power for good, but sometimes it helps you do something against the rules, which also can be good. Some rules are made to be broken.

LIBRA (Sept. 23-Oct. 23). Your loved ones will rise to the occasion, as long as they know what's expected of them. You'll have to lay it out clearly, and once you do, you may be surprised at what you're really needing from them.

SCORPIO (Oct. 24-Nov. 21). You want to meet up with old and new friends, and the secret to doing so is simple: Ask them. Stick out your hand and your heart. Invite them over and into your world.

SAGITTARIUS (Nov. 22-Dec. 21). Most people don't lie without a reason. The key to honest relationships is to make it OK for the other person to tell the truth. Your loved ones will go to great lengths not to invoke your anger or sadness.

CAPRICORN (Dec. 22-Jan. 19). People have different tastes and tolerances. One person's Pulitzer Prize-winning novel is another person's one-star review. Steer clear of topics that are likely to highlight the differences between you and your cohorts.

AQUARIUS (Jan. 20-Feb. 18). Gently holding people accountable for their actions is a sign of love. When someone doesn't do what he or she intends to do, and you ask about it, you're showing that you're paying attention.

PISCES (Feb. 19-March 20). Perspective shifts can be gradual, but the one you experience today will be abrupt. You won't have time to get used to your new view of things, but you can accept it fully just the same if you drop your defenses.

TODAY'S BIRTHDAY (May 6). As you grow, your world changes. That's why this year requires constant, ongoing reassessment. You'll add new supporters to your team in June. The kind of effort you put into a relationship this summer is new for you and will open you to more joy. September and November bring the best financial opportunities. Capricorn and Scorpio people adore you. Your lucky numbers are: 45, 2, 14, 39 and 50.
