HOROSCOPES
 —By Holiday—

FRIDAY, MAY 8, 2015

ARIES (March 21-April 19). After you make the magic happen, own it. You don't have to talk about it. You just have to know that this was your doing and stop yourself from giving anyone else the credit.

TAURUS (April 20-May 20). Set aside some money to be used in an unconventional, creative or risky way. Even a small amount will make a big difference in getting you on a track toward your dreams.

GEMINI (May 21-June 21). People have their reasons for acting the way they do, but reasons are not excuses. If you want better behavior out of them (or out of yourself, for that matter), create and uphold a system of accountability.

CANCER (June 22-July 22). With Venus visiting your part of the sky, your heart-light is shining like a lighthouse beacon. The souls that are like lost ships in the night will find guidance in your love.

LEO (July 23-Aug. 22). You like having conversations with people whose interests are wide and different from yours. However, that bossy person who insists that you try things is one to resist, if not totally avoid, now.

VIRGO (Aug. 23-Sept. 22). You'll entertain with style. An important part of this is showmanship. You'll be like the ringleader of a circus calling attention to the special acts and wonders around you.

LIBRA (Sept. 23-Oct. 23). Ideally, you can get enthusiastic about the day's activities, but if not, don't let that stop you. Just showing up will be enough. The skills you've acquired through the years will carry you through.

SCORPIO (Oct. 24-Nov. 21). When you're interested in someone, you want to know the whole person, not just the small part shown to you within the confines of a particular role. Ask good questions, and you'll get the bigger picture.

SAGITTARIUS (Nov. 22-Dec. 21). The mental tasks have to get done, or you'll set yourself up for unnecessary problems over the weekend. Make it fun. Add music or comedy. The chores go by quickly when you're listening to a headset.

CAPRICORN (Dec. 22-Jan. 19). Bottom line: People are always more important than "stuff." Anyone whose behavior regarding material possessions suggests the opposite belief has issues. The best thing to do is steer clear.

AQUARIUS (Jan. 20-Feb. 18). You'll play the game of life with verve. Why saunter to the next spot when you can leap ahead? Your energetic approach will attract the attention of someone who will be good for you to know.

PISCES (Feb. 19-March 20). Though you prefer to stay on purpose, a certain tolerance for those who dillydally, lollygag and loiter will serve you well. You'll learn information from those easygoing moments that you would have otherwise missed.

TODAY'S BIRTHDAY (May 8). Work hard but not too hard, because it's this year's pleasant distractions that often serve to take you closer to your goals and purposes. Over the next seven weeks, your work will become more visible, and this will increase your influence, as well as your means. Someone will invest in you in June. Singles commit in August. Gemini and Sagittarius people adore you. Your lucky numbers are: 40, 1, 28, 12 and 30.
