HOROSCOPES By Holiday

WEDNESDAY, MAY 20, 2015
ARIES (March 21-April 19). Just when you think it can't get better, it does. The same goes for the opposite dynamic. You can count on the universe pushing you another mile in whatever direction you're traveling.
TAURUS (April 20-May 20). For today, there's no feeling like the feeling of accomplishment. Knowing that there was a time when you had nothing except the gumption to make something substantial out of it is priceless.
GEMINI (May 21-June 21). Everyone you know finds this ground unfamiliar. Go forward anyway -- you'll be a trailblazer. Your sophisticated taste eventually will move everyone into the future.
CANCER (June 22-July 22). You're a humanist. You don't want to make fun of the world; you'd much rather make fun of yourself. That's what makes people laugh the hardest, and today they'll relate to your vulnerability.
LEO (July 23-Aug. 22). Hard to believe, but there are actually some people who find the colloquialism "whatever" to be a curse word. Avoid the expression today, as your people will be even more sensitive than usual.
VIRGO (Aug. 23-Sept. 22). Here's the recipe for a stellar day: Do something for yourself, do something for a friend, and do your duty. Once those three are covered, you'll be feeling pretty good about the world.
LIBRA (Sept. 23-Oct. 23). You can't do it all in one day, but at least you can list it all so that you won't forget later. Otherwise, the less pressing (but possibly more pleasurable) items might fall through the cracks.
SCORPIO (Oct. 24-Nov. 21). What you have is not what you want. That's fine, because you're finding a way to make it work. Do the business at hand, and the business you wish for will come.
SAGITTARIUS (Nov. 22-Dec. 21). Interrupting is immature and disrespectful, and yet many people have this annoying habit. When you get interrupted once, you'll chalk it up to the other person's excitement. Twice, though? Maybe it's time to walk away.
CAPRICORN (Dec. 22-Jan. 19). You'll be doing what it takes to be the bigger person and rise above it -- whatever "it" happens to be for you right now. You don't mind trying a little harder than the others, because you have a feeling it will benefit you in the end.
AQUARIUS (Jan. 20-Feb. 18). A daring person will inspire you to break a few rules. It's how you become a vivacious renegade. Later, you'll look back on today and note that it was a turning point.
PISCES (Feb. 19-March 20). Multitasking may be an exercise in silliness. What you do while trying to do something else will be, of course, ineffective. One thing at a time will get it done.
TODAY'S BIRTHDAY (May 20). It's your year to make things official. Celebrate the successes you achieve in June. In July, you'll be reaching into new emotional territory. A VIP will come into your life in August. The sale of your possessions or property will bring about a big and welcome change in September. January will bring strong love. Aquarius and Capricorn people adore you. Your lucky numbers are: 3, 13, 29, 14 and 50.
