### Healthy Back Habits for Caregivers TUESDAY, MAY 26, 3:30PM

Many adults spend a considerable portion of their week caring for aging parents, relatives, friends, or other adults. According to the results of a recent study, the stresses and strains of providing care to an ill loved one may take a considerable toll on the mental and physical health of care- givers — including their back and spine health. Learn healthy back habits to keep you safe.

## Elder-Friendly Living: Modifying Your Home for Safety TUESDAY, JUNE 23, 3:30 PM

No matter when the older person's home was built and regardless of whether it is modern or traditional in style, it likely was designed for young adults and their families. As adults age their homes also grow older, but most are not updated to accommodate the resident's changing needs. Home adaptation or modification can provide friendlier elder living so older occupants may continue to life safely in the comfort of their home.

### Know Your Numbers TUESDAY, JULY 28, 3:30 PM

Are you at risk for diabetes, heart disease and other chronic diseases? Learn about

the numbers and what they mean for various screenings to stay in control of your health. We will talk about cholesterol, blood pressure, body mass index (BMI) numbers and more.
