Pendleton Rotary Club awards Don Fossatti scholarships

PENDLETON — Hannah Boozer, Gerardo Chavez, Hannah Wicklander, Hannah Bradbury and Marti Erice were each awarded \$2,000 Don Fossatti scholarships by the Rotary Club of Pendleton. All the awardees are graduating seniors at Pendleton High School.

Each scholarship was awarded in recognition of several factors, including the students' academic qualifications and demonstrated ability to achieve success in their chosen field of study, financial need, and a reflection of the Rotary motto of service before self in the students' lives.

Don Peterson Memorial Scholarships awarded

PENDLETON — On May 20, two Eastern Oregon high school seniors were awarded scholarships toward realizing their dreams of becoming teachers. Morgen Brown from McLoughlin High School (Milton-Freewater) and Kiana Sperl from Pendleton High School were recognized as the scholarship's recipients at the InterMountain Education Service District's (IMESD) Crystal Apple Awards ceremony at the Red Lion Hotel in Pendleton.

The Don Peterson Memorial Scholarship is a new scholarship sponsored by the Umatilla County Commissioners designed to encourage accomplished and academically outstanding high school students who plan to pursue a

career in teaching. Two scholarships, each in the amount of \$2,000, are awarded — to one east county student and one west county student.

George Murdock, board chair of the Umatilla County Commissioners, said the scholarship is funded from an endowment given to the county to recognize outstanding students. Working with the IMESD, the county commissioners decided to create a scholarship for students who excel in academics since athletics have many recognition programs.

“We are pleased to support students who want to enter the field of teaching and at the same time honor Don Peterson for his lifelong commitment to education in our state. Don Peterson exemplifies the qualities we want in those who will teach the children of the future,” Murdock said.
