HOROSCOPES

By Holiday

FRIDAY, JULY 3, 2015

ARIES (March 21-April 19). Spontaneous emotion can be the thrill of life or the bane of existence. You're feeling ready for less impulsivity and a more reasonable, thoughtful, controlled approach. A Virgo can help you with this.

TAURUS (April 20-May 20). You keep wondering whether you're missing something. You don't want to squander your potential, and yet you get the sneaking suspicion you could be doing more with what you have.

GEMINI (May 21-June 21). There's something you're fighting for these days, but you're doing it in a quiet, patient manner. You'll get your way in the end if you continue with this persistent approach.

CANCER (June 22-July 22). Your expression is the best thing in your wardrobe. It's so versatile. You'll wear it with style today, applying just the tone that will make a dull room light up.

LEO (July 23-Aug. 22). It's important that you privately keep track of your accomplishments so that you can bolster yourself when you're feeling down and build on what you've done.

VIRGO (Aug. 23-Sept. 22). You're looking for powerful, romantic and lasting love -- the kind movies are made about. This is why you'll forgo tepid invitations and half-hearted attention. You're willing to wait for the real deal.

LIBRA (Sept. 23-Oct. 23). Those who insist on only one way of proceeding will get stuck. You can get over the blockage by being open to possibilities. Ask what's worked for other people.

SCORPIO (Oct. 24-Nov. 21). When you share your life with another person, you let go of some of your control over it. Relationships may get frustrating as you realize your realm of influence has changed. You can adjust to this gracefully, and you will.

SAGITTARIUS (Nov. 22-Dec. 21). As long as you're adding new friends to your life, look for the generous souls -- the ones who will give without asking whether it's a tax write-off. One truly generous friend improves the way you feel about relationships in general.

CAPRICORN (Dec. 22-Jan. 19). When people don't need help but ask for it anyway, you feel wronged by the request. Your motto is not to ask anyone to do for you what you could easily do for yourself.

AQUARIUS (Jan. 20-Feb. 18). People open up in different ways. Some take more time to get to know. Some give their trust sparingly. Don't take any of this personally, because it's not about you. Patience and love will win out.

PISCES (Feb. 19-March 20). The sounds of rain, a distant party or crashing waves all could be considered soothing under the right circumstances and with the right outlook. Search for the soothing side of the stimuli in today's environment.

TODAY'S BIRTHDAY (July 3). Career developments spark the beginning of your solar year. Course corrections may be necessary next month, and you'll quickly switch to the path that's best for you. Your resources blend in interesting ways. September shows you extremely creative, and love has something to do with this. January brings a new mentor. Aquarius and Aries people adore you. Your lucky numbers are: 25, 8, 49, 5 and 38.
