By Holiday

SATURDAY, JULY 4, 2015

**ARIES** (March 21-April 19). If socializing is a dance, you're a beautiful dancer. You tune in to the rhythms of those around you and sidestep when appropriate, but best of all, you know when to push and when to pull back.

**TAURUS** (April 20-May 20). When there are no fish in one spot, the expert angler doesn't wait around there all day. Move to where the fish are biting, if not jumping out of the water to announce the abundance of life!

**GEMINI** (May 21-June 21). Normal behavior patterns bore you. That's why you make the extra effort to change things up. Also, anyone who tries to tell you what to do will quickly learn his or her mistake.

**CANCER** (June 22-July 22). Sit back and let this day unfold like the entertaining ride that it is. As with all rides, you'll wind up back where you started, but you'll have a new experience under your belt.

**LEO** (July 23-Aug. 22). You'll be socially validated, and it might surprise you how good it feels -- better than you expected. You might even change your plans in order to get more of this good feeling.

**VIRGO** (Aug. 23-Sept. 22). It's tricky to maneuver within a group, but if you are easygoing as you try to make it work, there's some good bonding to be had. Don't waste time trying to change what has already been decided.

**LIBRA** (Sept. 23-Oct. 23). Friendly faces populate the activities of your day. Act on your romantic ideas. You'll likely delight the object of your affection with your offbeat charm. This evening plays out like a dream.

**SCORPIO** (Oct. 24-Nov. 21). Chances are you're not going to conform to what certain people expect. So take the pressure off of yourself. Then you can concentrate on what you're really interested in doing.

**SAGITTARIUS** (Nov. 22-Dec. 21). Even on days like today, when you're not expected to do much more than visit with loved ones, your energy and time are still sacred currencies. Use them mindfully.

**CAPRICORN** (Dec. 22-Jan. 19). There's a fun day ahead, and there are specific things you want out of it. Order your list. You can have the top things as long as you know what they are and allot time for their pursuit.

**AQUARIUS** (Jan. 20-Feb. 18). Because of your high-energy spirit, when things take too long, it feels uncomfortable to you. However, there's someone you're willing to wait for. Your love and patience go hand in hand.

**PISCES** (Feb. 19-March 20). You can't really work through a feeling until you've correctly identified it and agreed on some level to go ahead and feel it. The good news is, this process can be quick, and then you're on the other side of it.

**TODAY'S BIRTHDAY** (July 4). Your powers of observation are heightened, and this helps you to enjoy yourself better and take advantage of opportunities. Your commitment to someone makes a life-changing difference. August brings home improvements. You'll be selling a high-ticket item in November. Your talents will be recognized and rewarded in 2016. Scorpio and Sagittarius people adore you. Your lucky numbers are: 49, 33, 25, 40 and 6.
